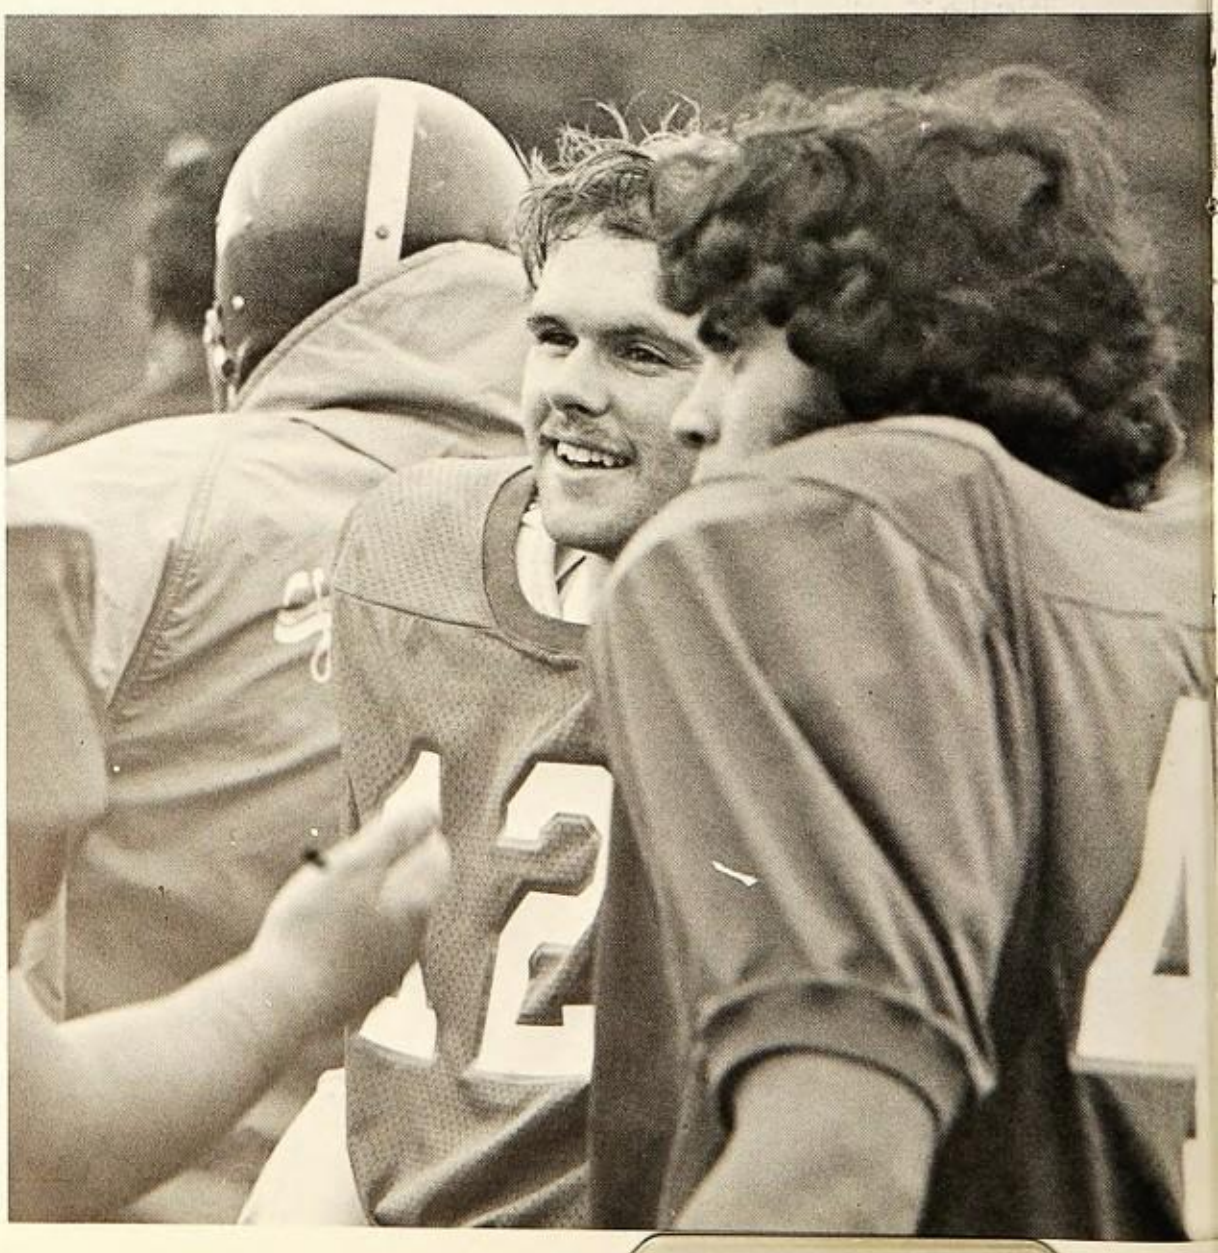
Memories
light the corners
of my mind . . .

Misty water color memories of the way we were . . .

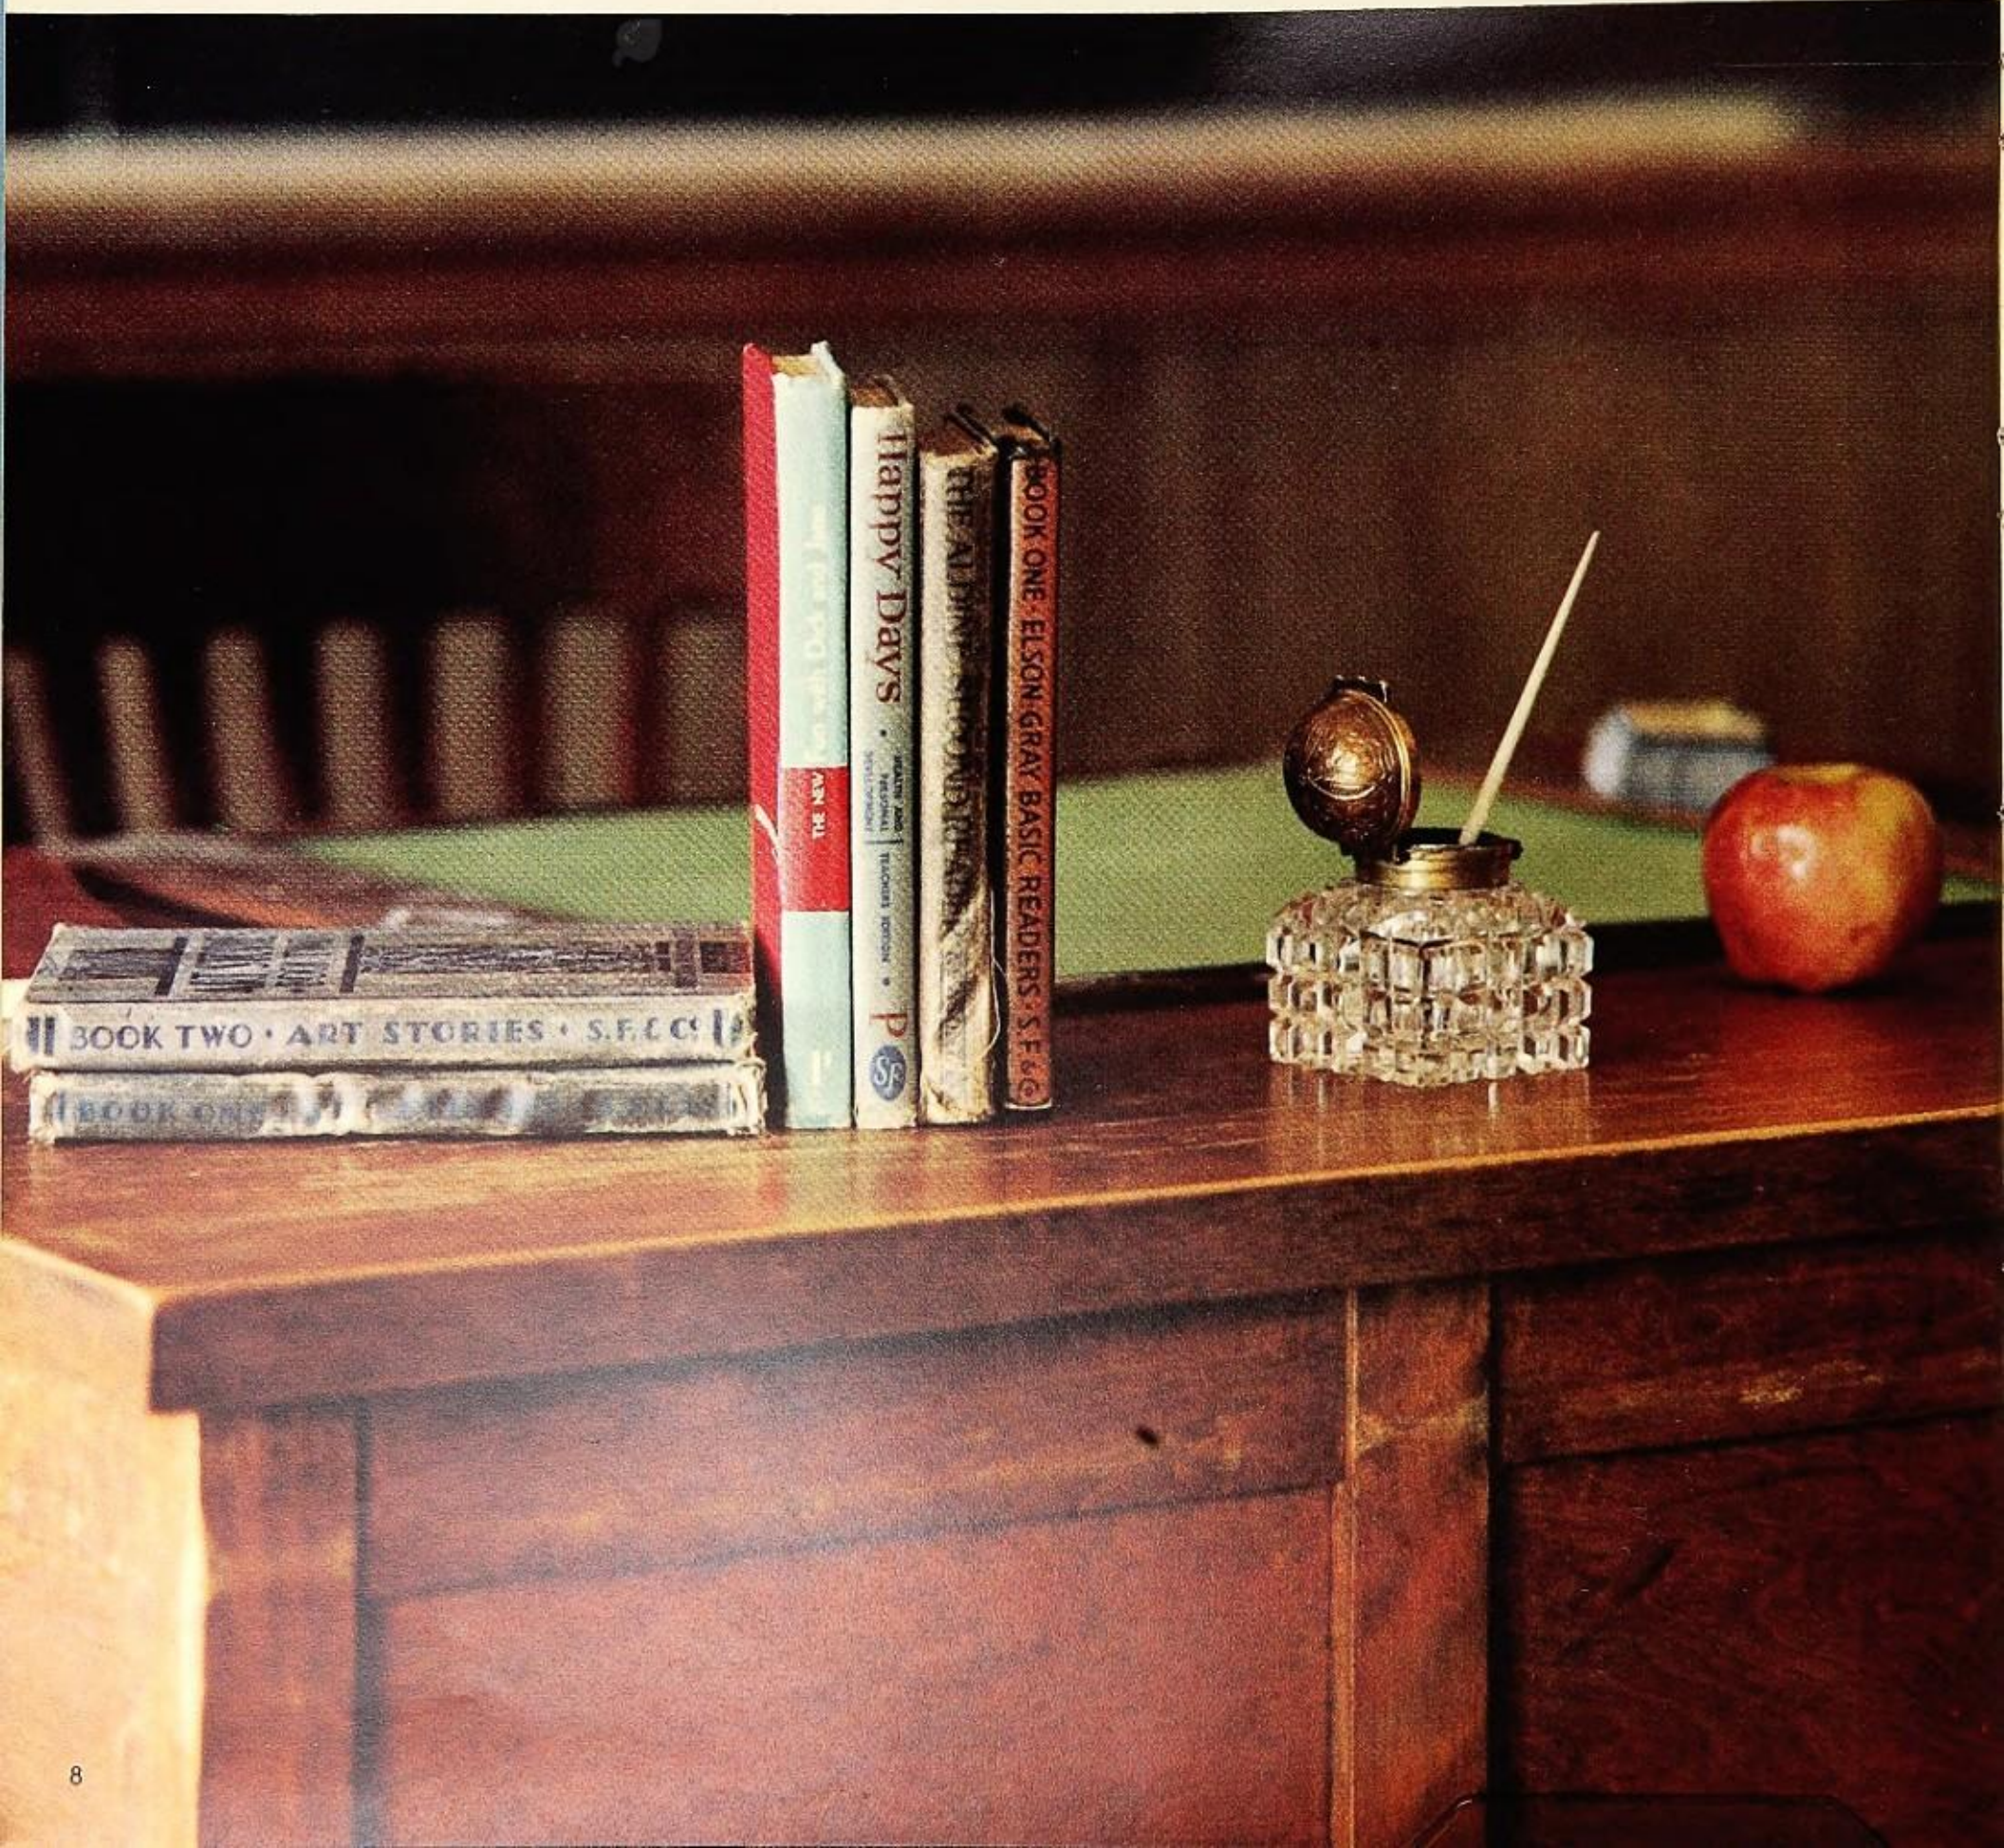
Scattered pictures of the
smiles we left behind . . .

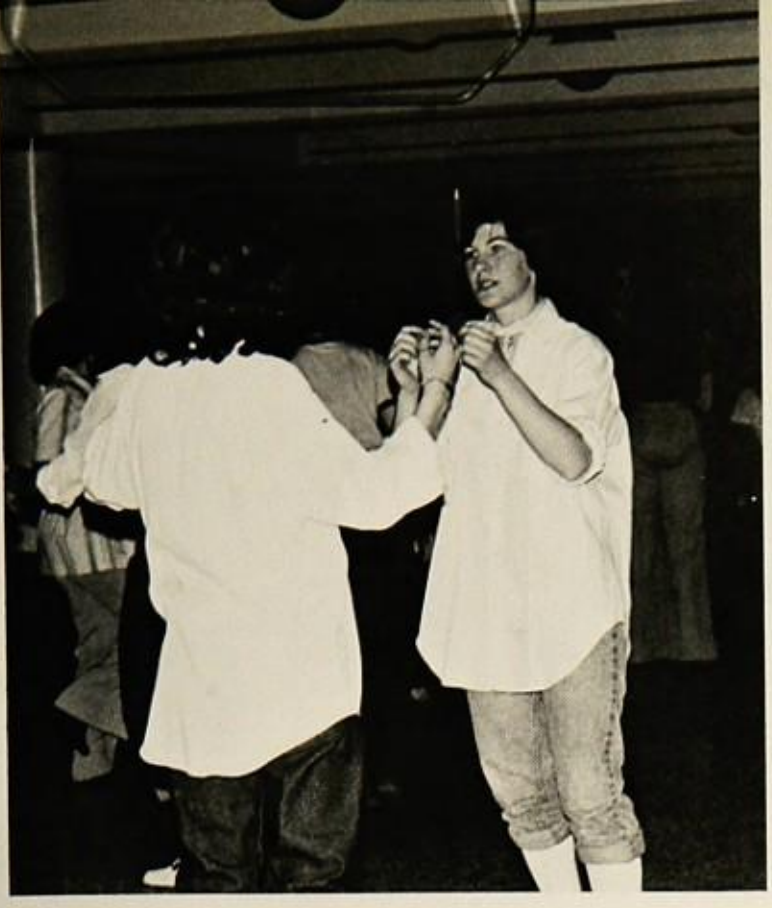


Smiles we gave to one another
for the way we were . . .

Can it be that it was
all so simple then

Or has time rewritten
every line . . .

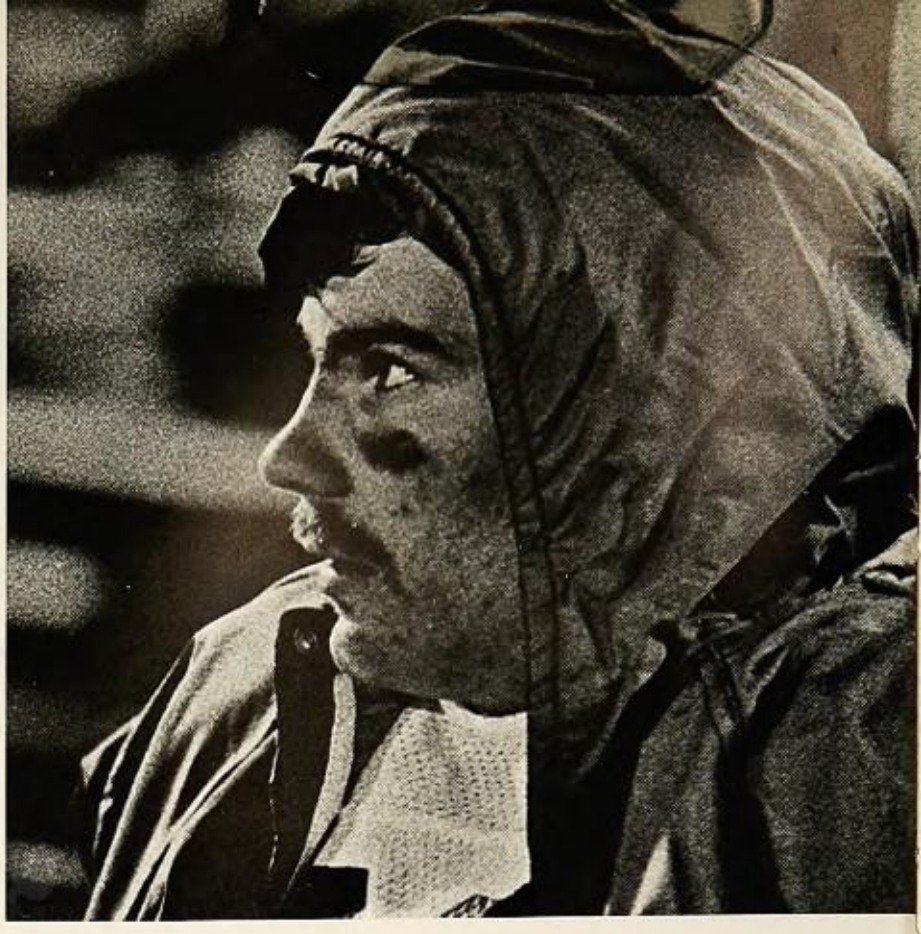


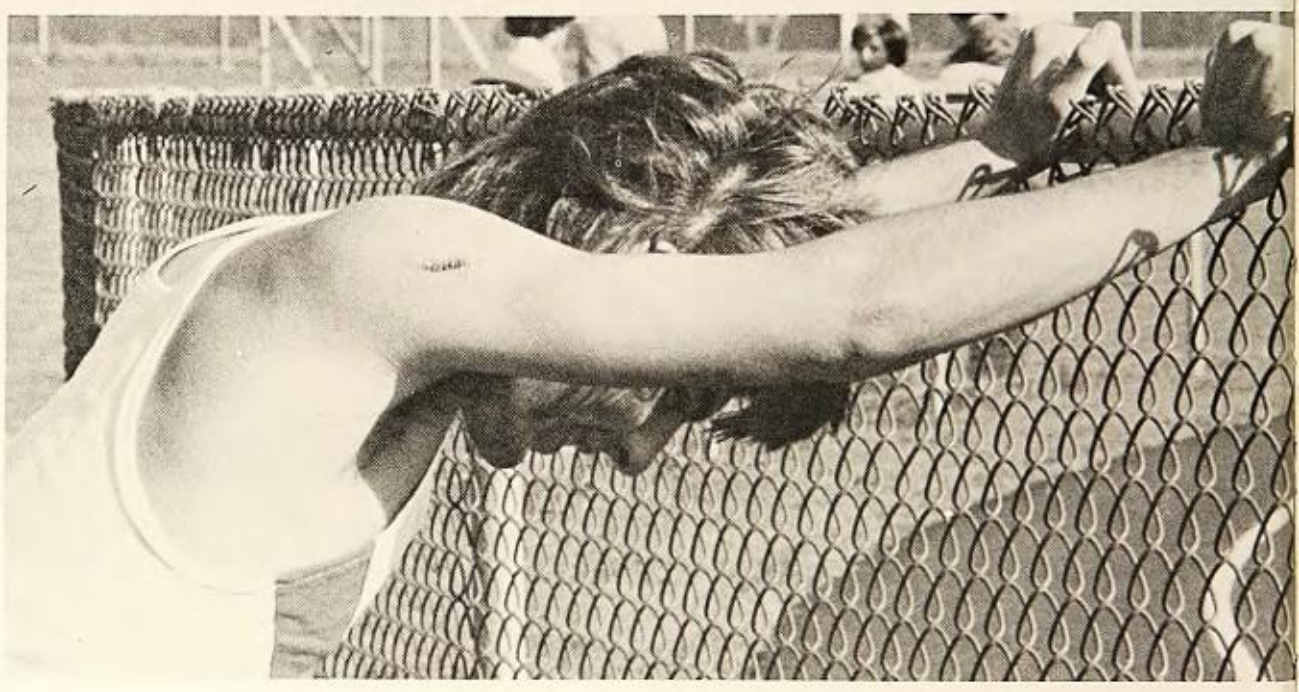


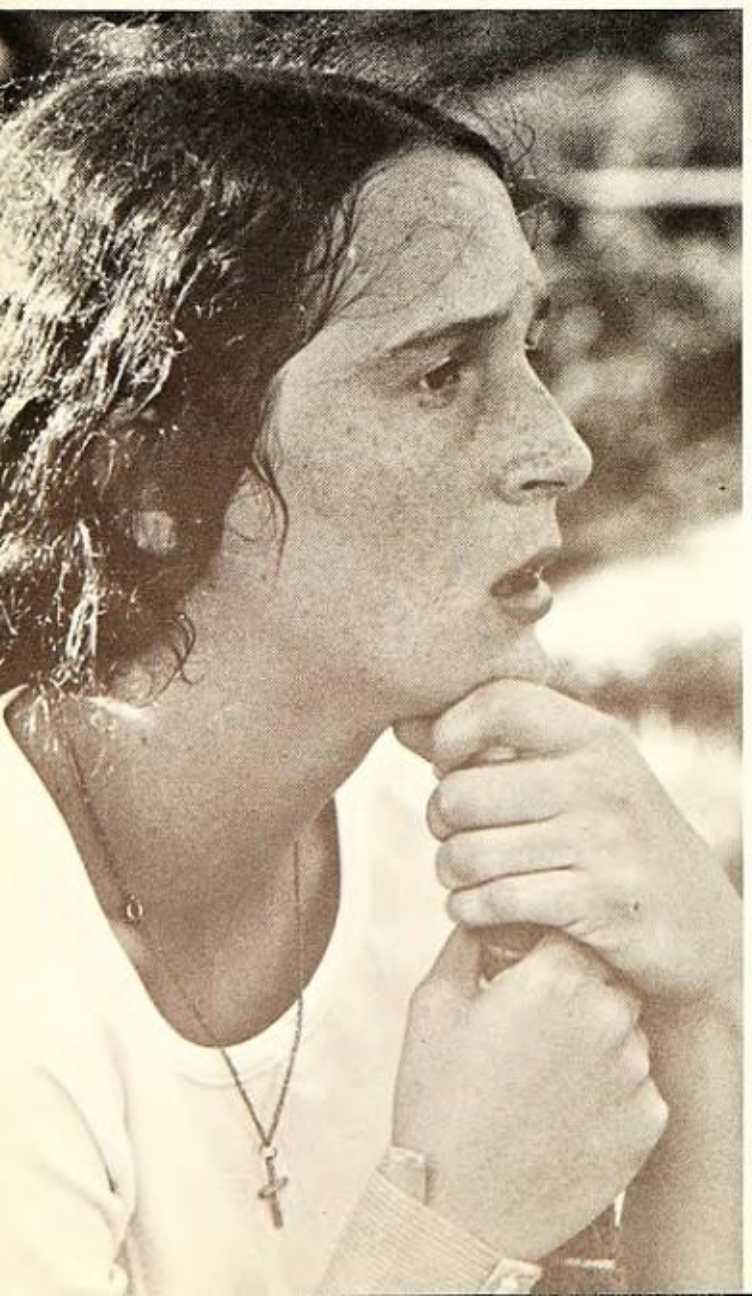
If we had the
chance to do
it all again . . .

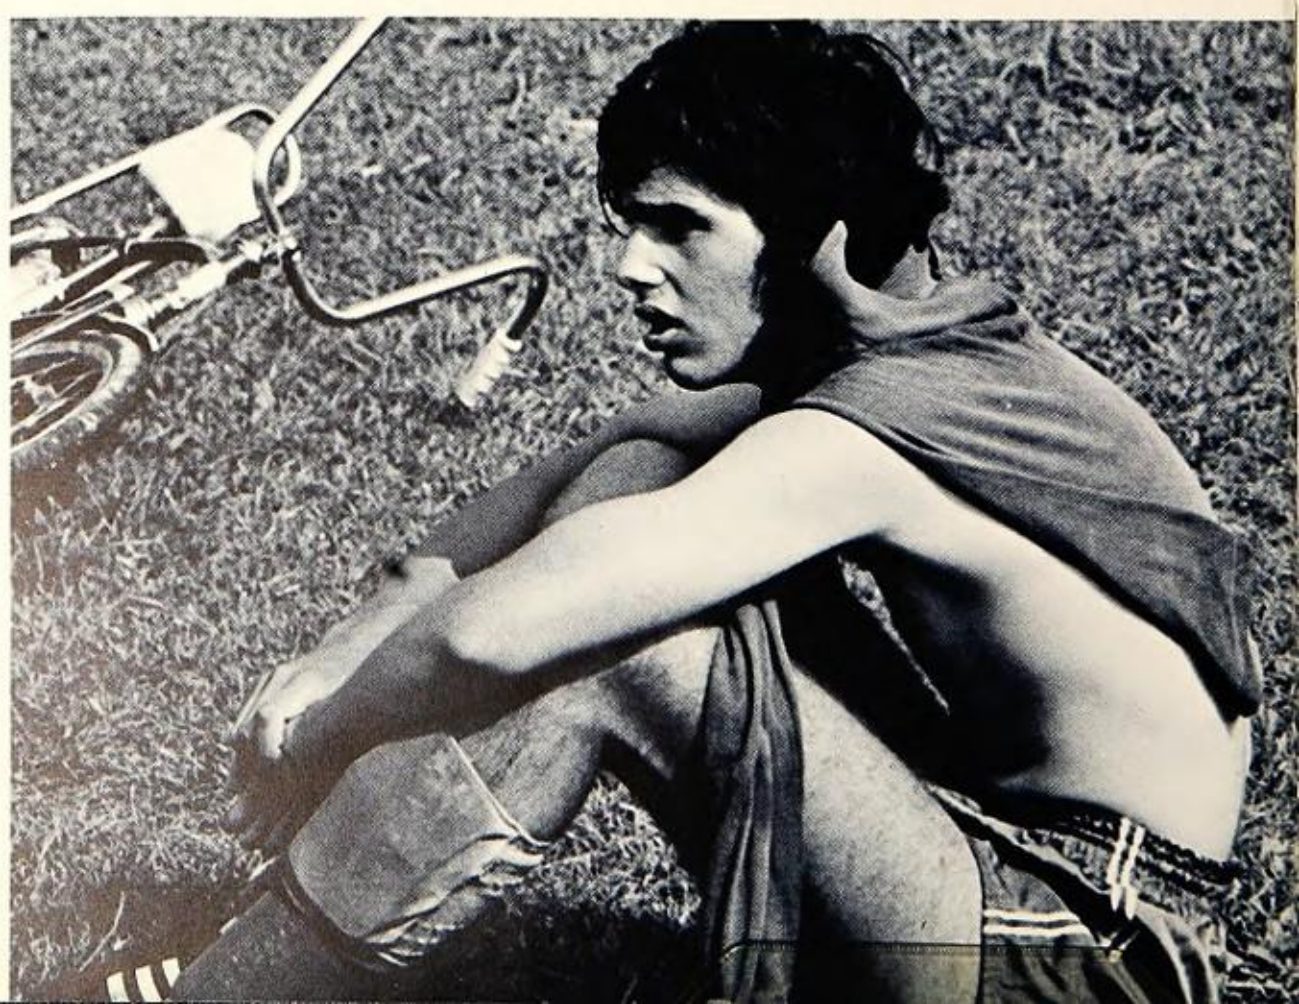
Tell me
would we?
could we? . . .

Memories may be beautiful
and yet, what's too painful
to remember, we simply
choose to forget . . .

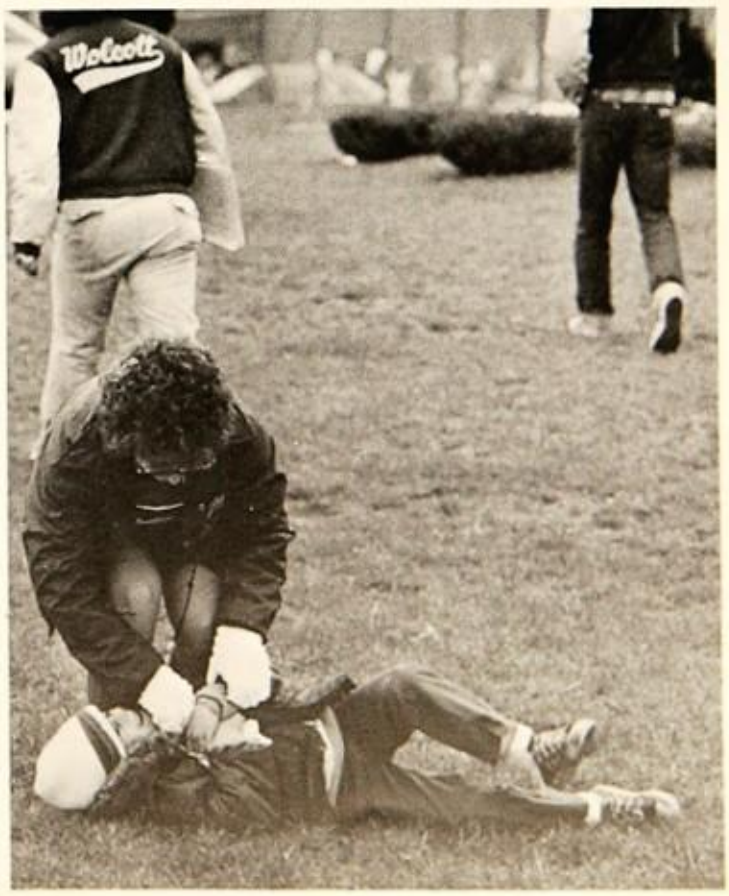


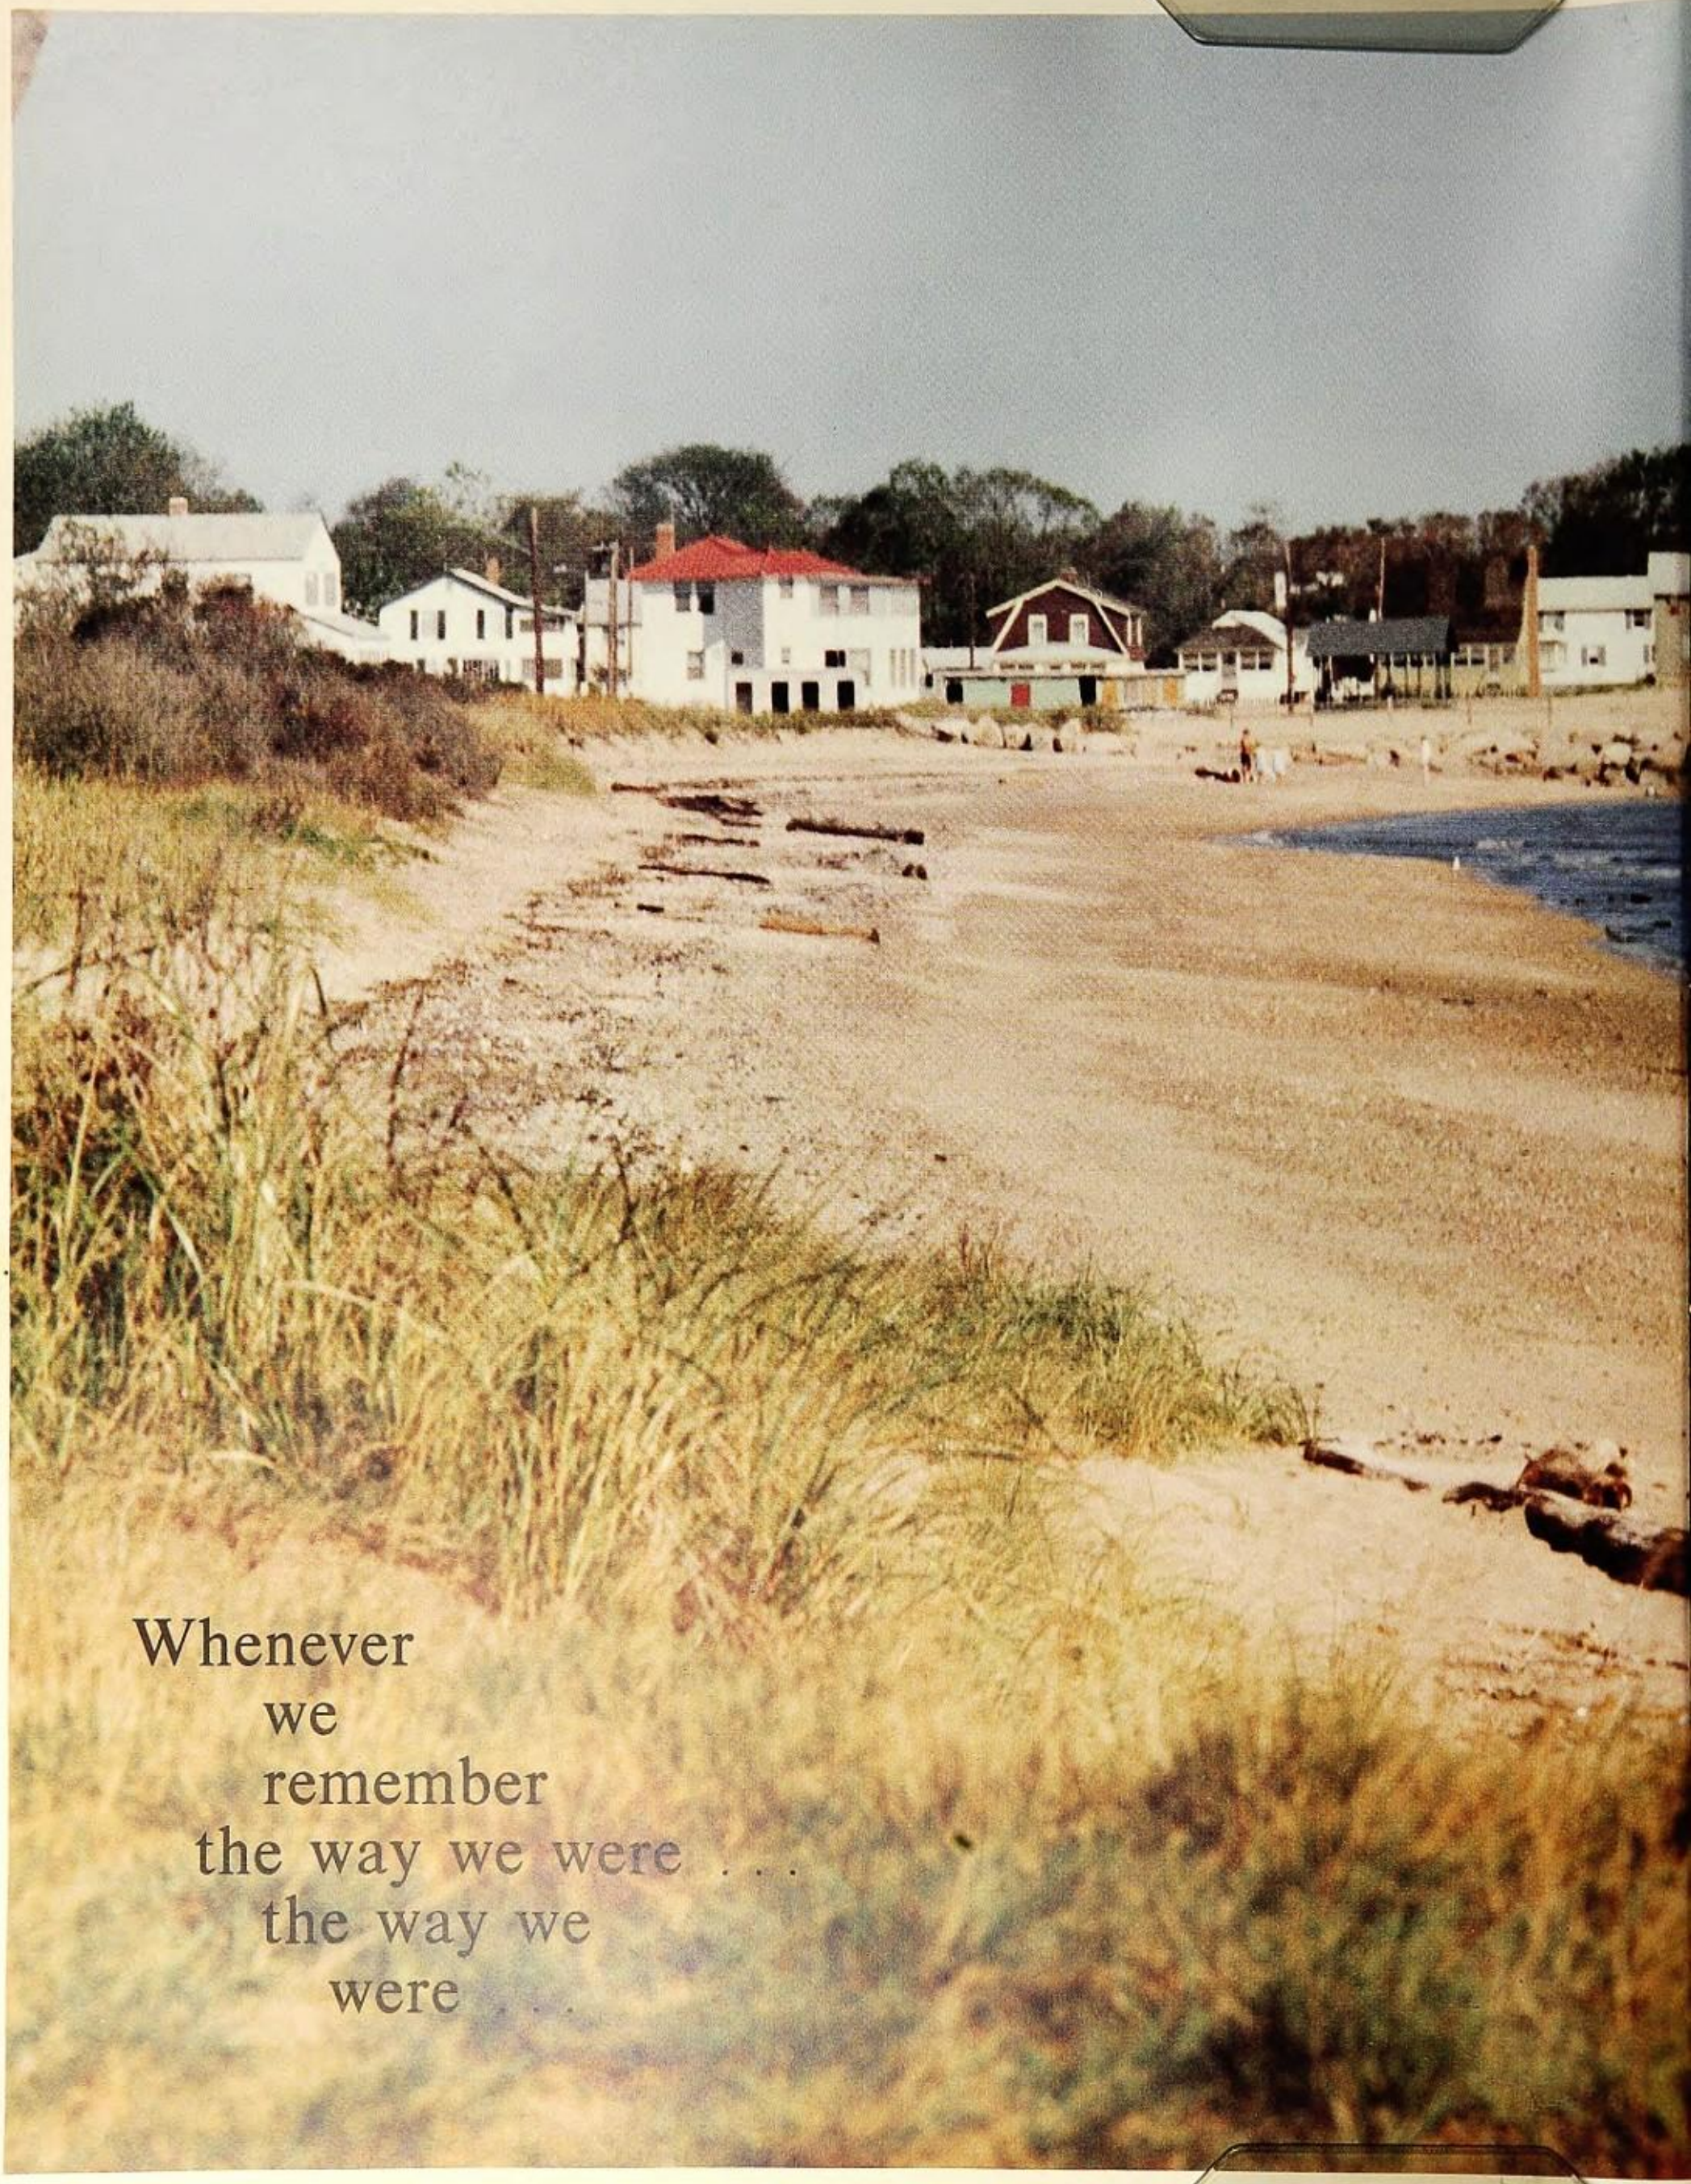






. . . So it's the laughter we will remember . . .



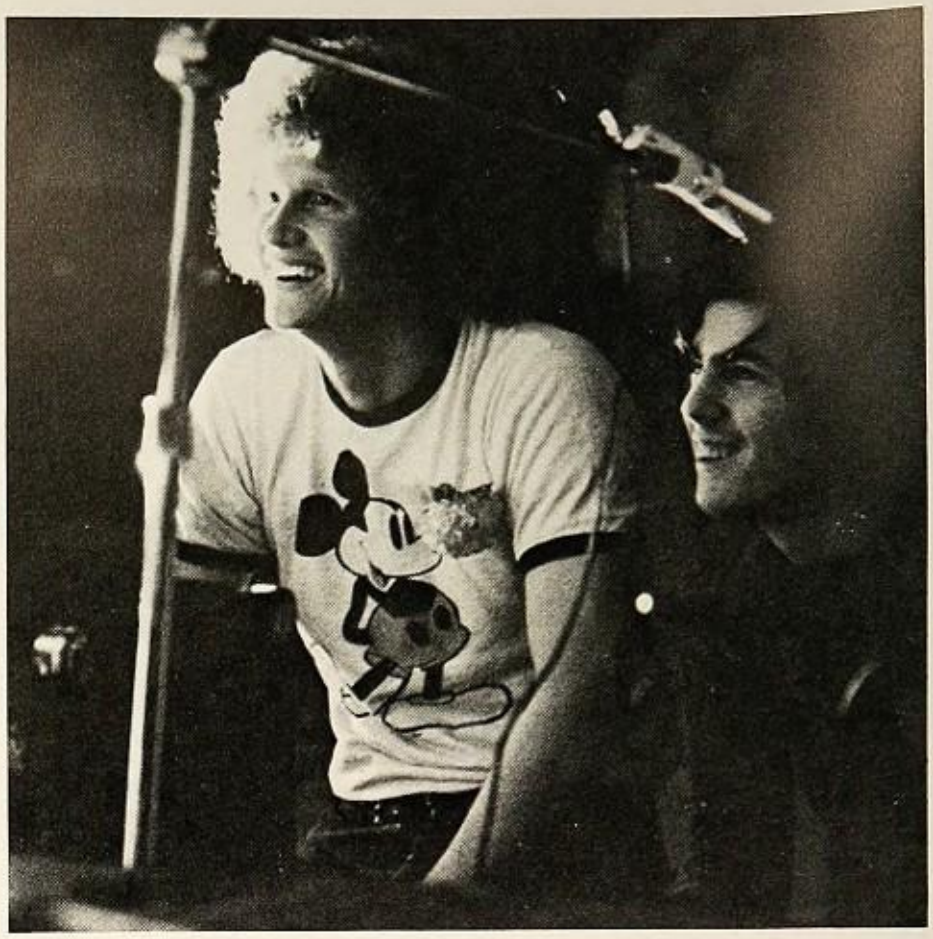


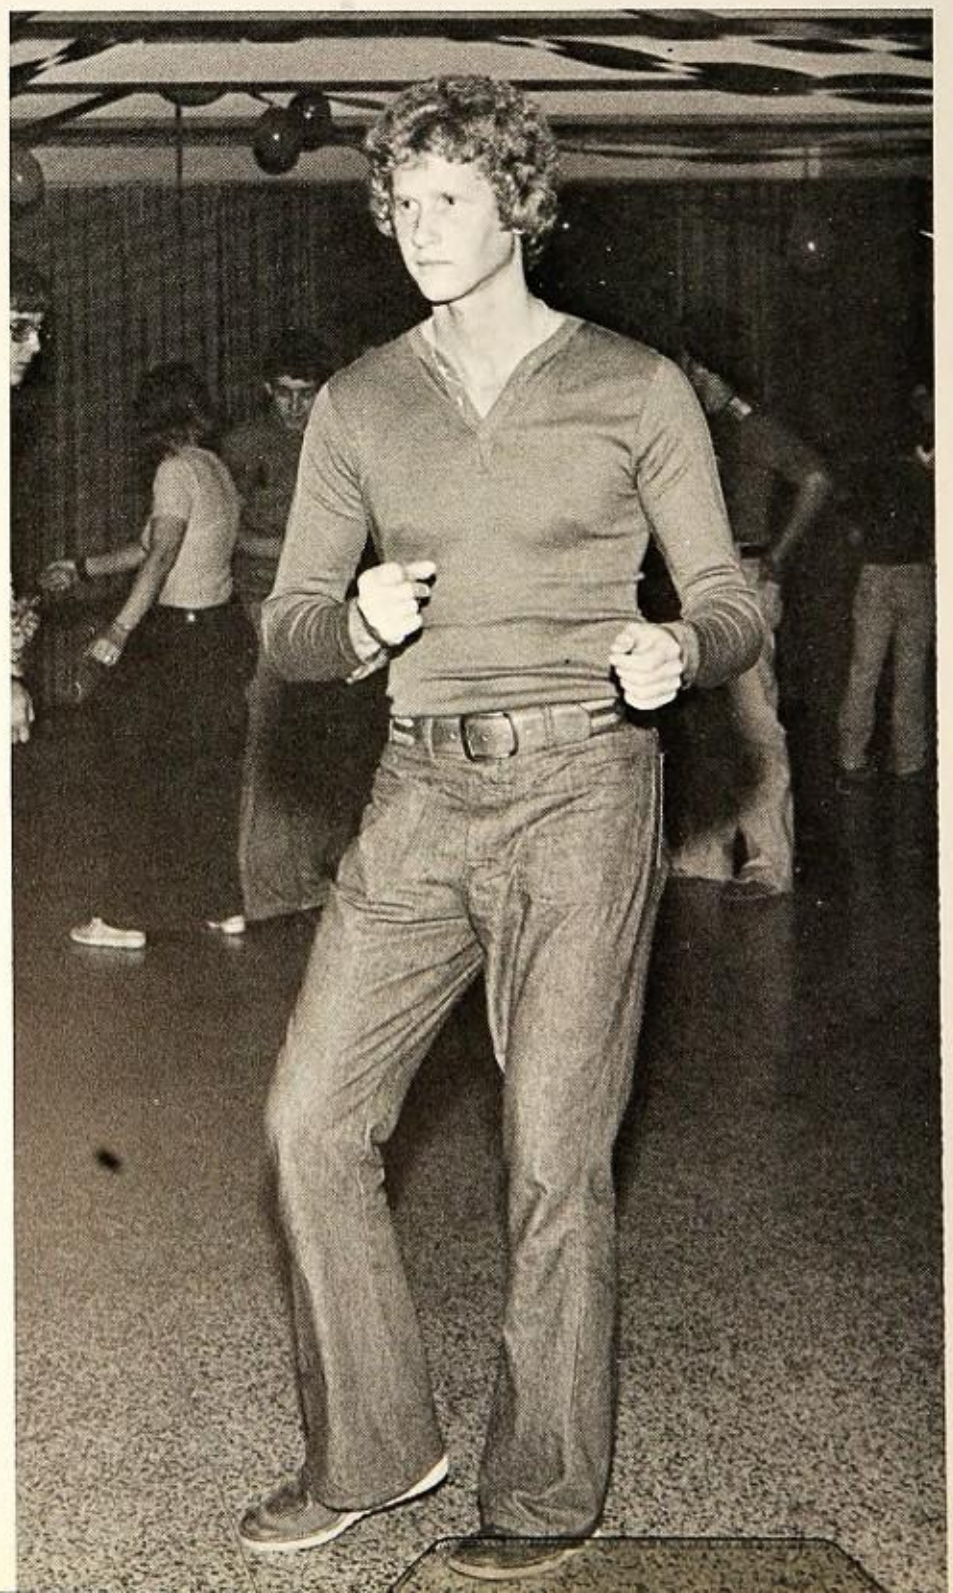
Whenever
we
remember
the way we were . . .
the way we
were . . .

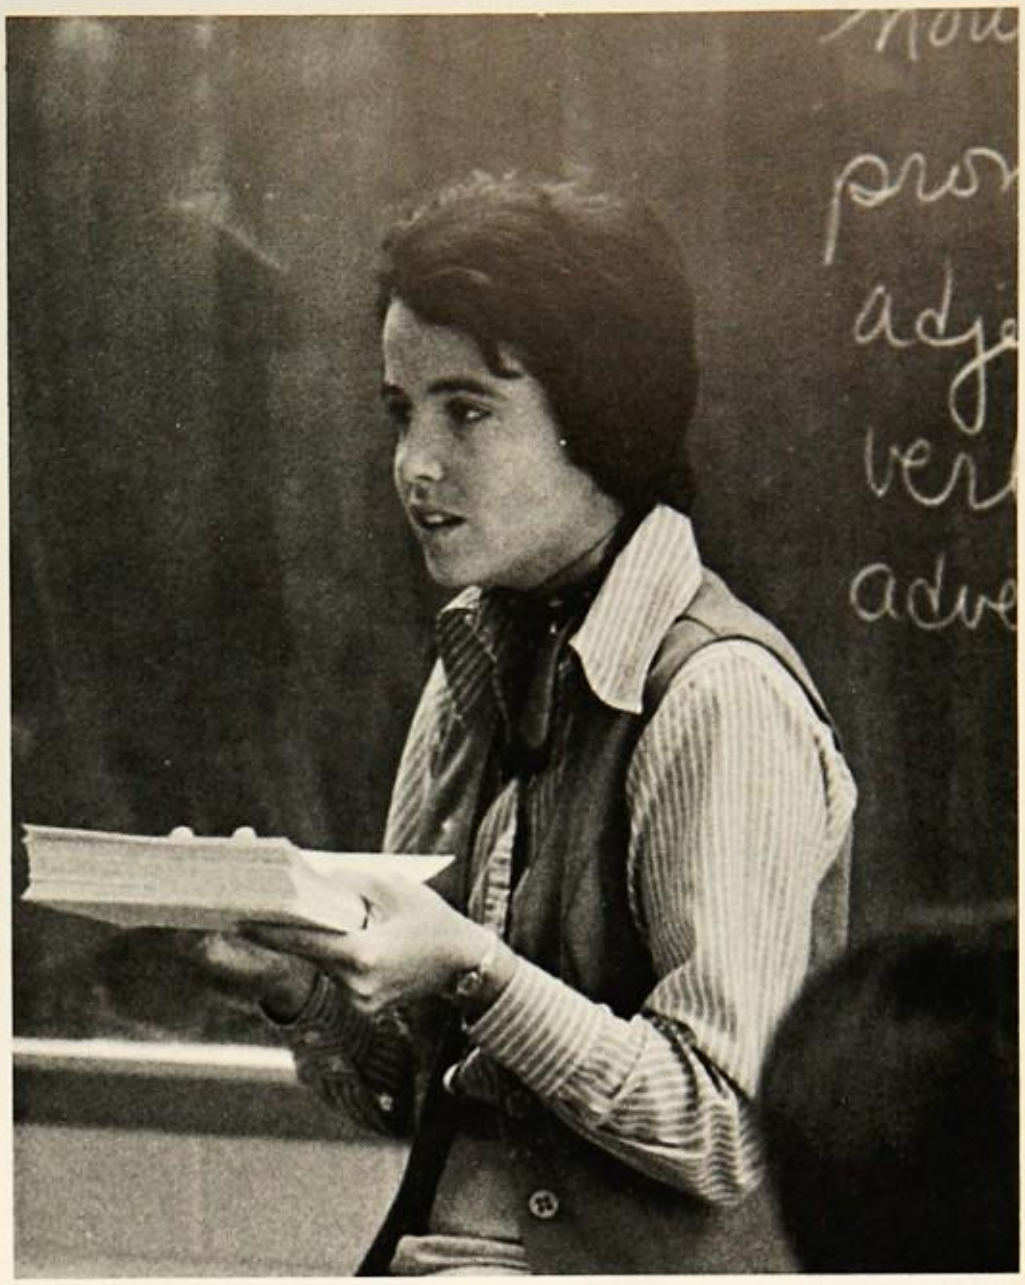
Mr. Tom Hudec

You gave of yourselves
And in giving
Provided us with strength
And the urge to give, too ...
To work as one body
And accomplish what seemed
Close to impossible.

Yet through it all
Even though our spirit would wane
And the confidence in our ability die,
You persisted in your dedication
Always so positive, so sure,
Taking us by the hand
And letting us know
The faith and trust that you had in us ...



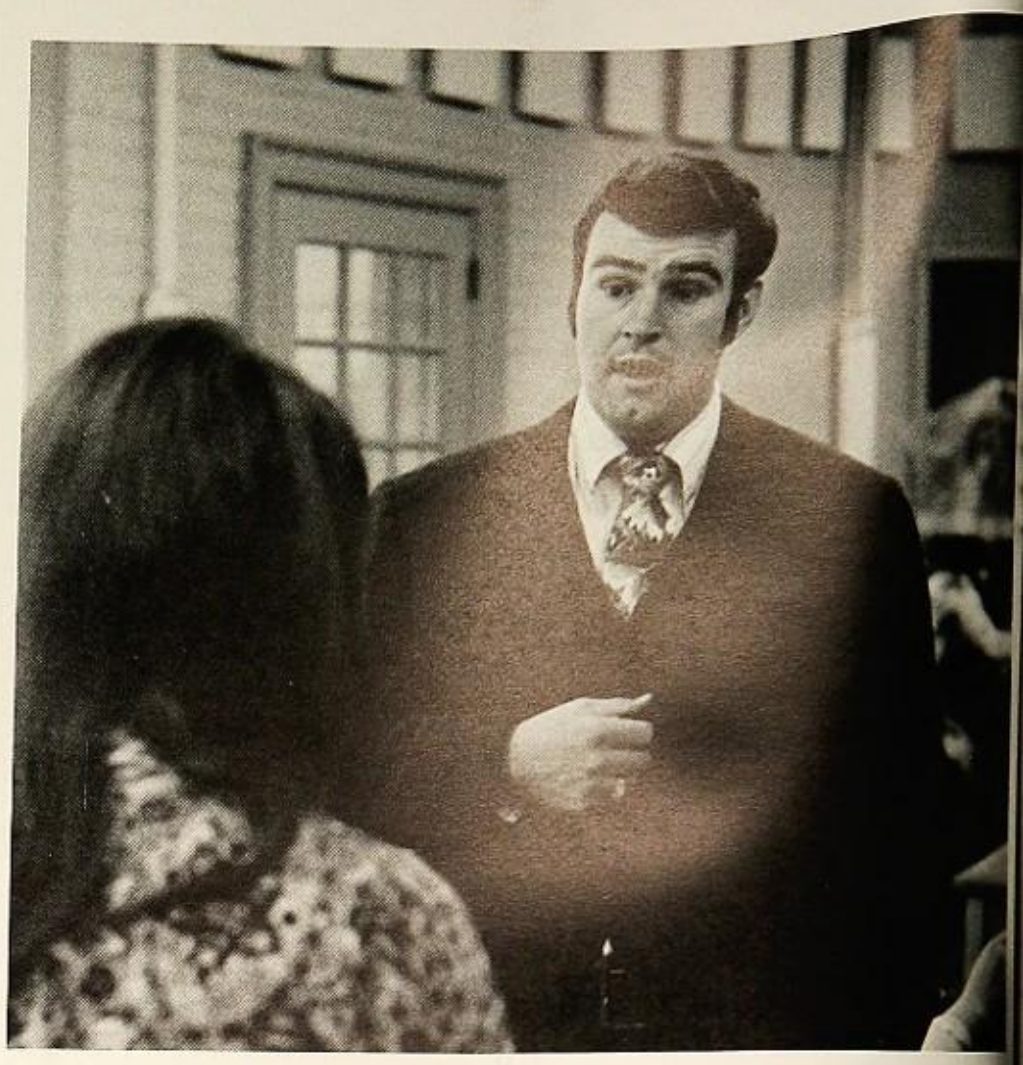




Mrs. Barbara Marcoux

... To express in words
What we have gained
And how much we will cherish
Having shared a part of ourselves
With you,
Would never soothe
The ache in our hearts ...

And so to convey
Our love
In the best way we know
We dedicate this book
And all the memories
Contained herein.



Mr. David H. Larson:

To commend you . . .

for your accomplishments . . .

and service . . .

To thank you . . .

for your wisdom . . .

and guidance.

Dear Seniors,

Our high school experience is over and, speaking for our class as a whole, it was one of great successes.

We have tried to bring the various groups in our school together, we have learned to work together and we have seen the successful results of our effort. It is only in bringing our class together and in eliminating the misconceptions that separate us into our own small groups that I wish we could have done more. As it is, I have had a chance to know and work with most of you and I thank you all for your help and support.

My wish for this class is that, in the future, each of you can find your fondest memories by looking back at the three years we have spent together. Good luck in all you may do.

Sincerely,
Michael Palazzo

President

As time goes on and our lives progress, our memories will still reminist, on things that once existed. Elders told us one thing, our minds said another, we had to find the answers on our journey toward our future. Some might stray some might fall, but I will still walk on and on.
To "The Kid", with love.
"This is true!"

The first time that I came to Southington High School I really felt strange. Everything here was really new to me. First of all I had to learn English. It's really hard to learn a new language but I have many teachers and students who help me. In one year I learned History Math Power Mechanics English to drive the car, to work at Guido's. Now I have many friends in America. My thanks to everyone in Southington High School.

TIVITIES

Junior Prom

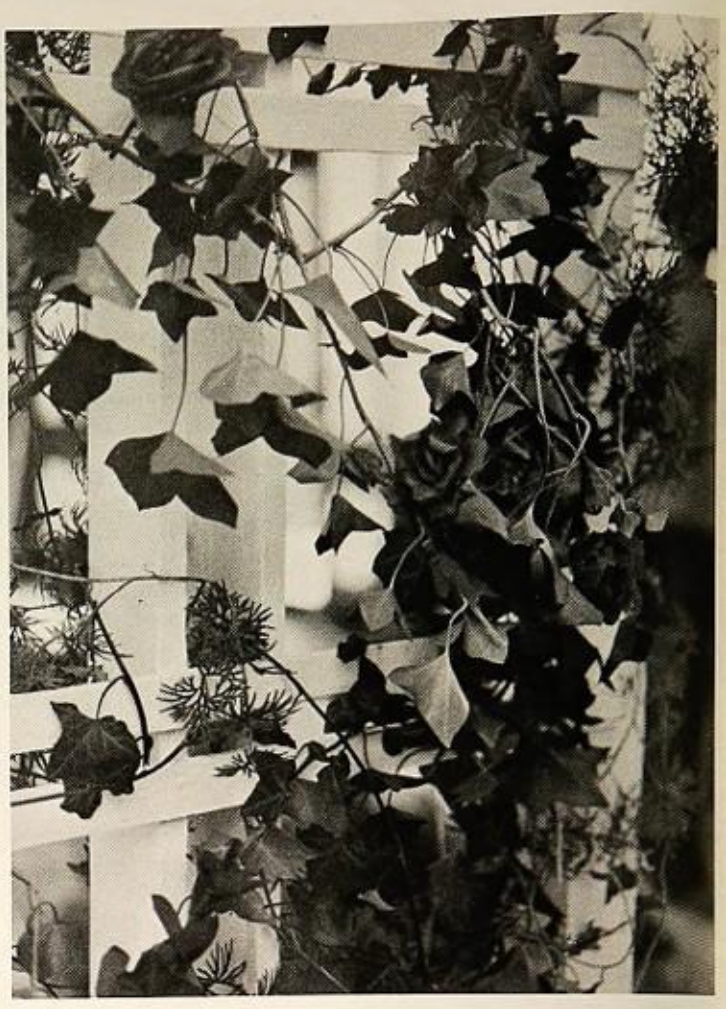
A Time For Us
some day there'll be . . .

Injecting their irrepressable enthusiasm into the Junior Prom, the Class of '77 started a new trend and created what was to become a truly memorable event.

Together with their co-chairmen, Paula Consolini and Debbie Perillo, and a workable theme: "A Time For Us", the students were able to temporarily transform the cafeteria into another world.

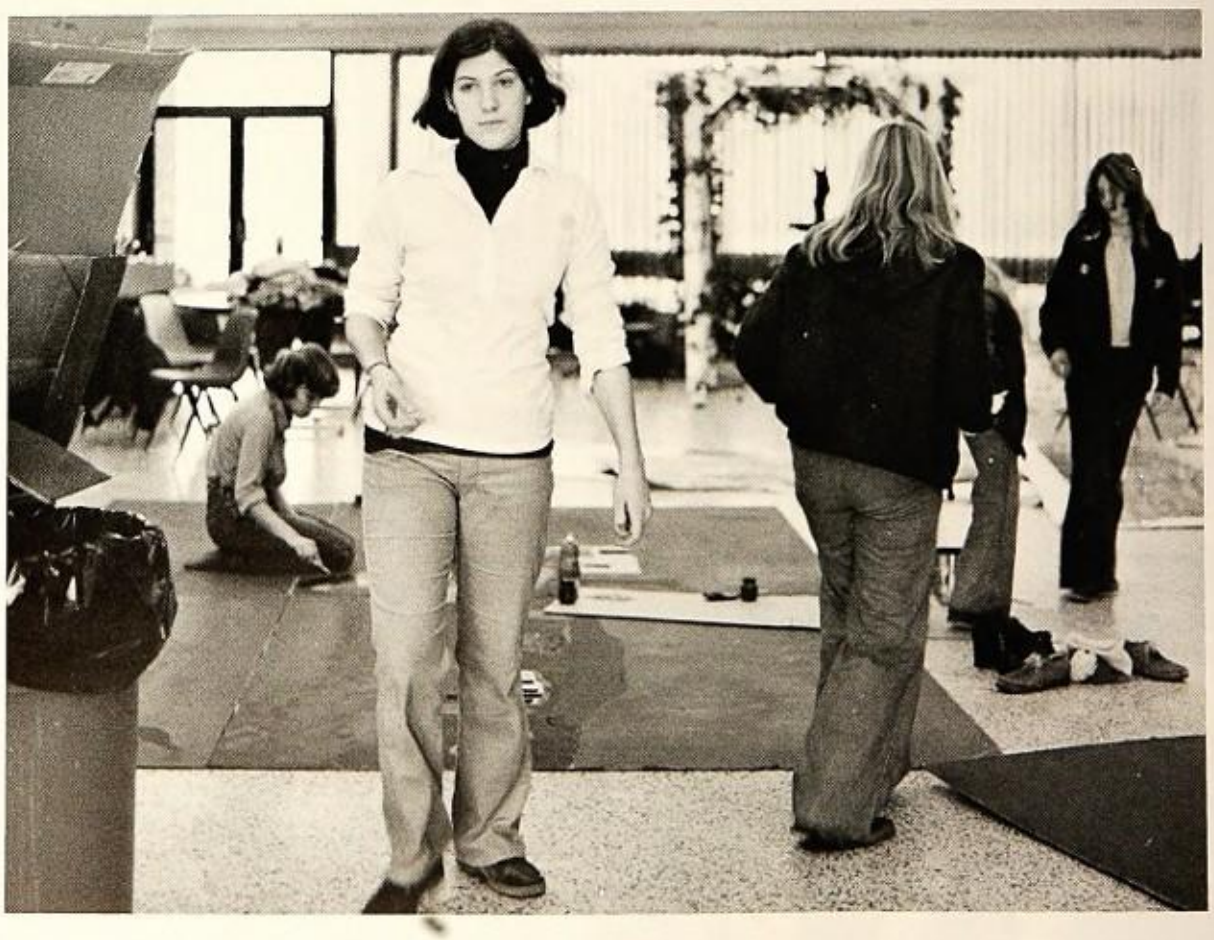
And temporary it was, as people found themselves beneath the walls instead of next to them.

But what at the time may have seemed embarassing incidents, when looked back upon, become some of the best memories of the evening, an evening that will never be forgotten.



A time when dreams . . .
can flourish . . .

. . . as we unveil . . .

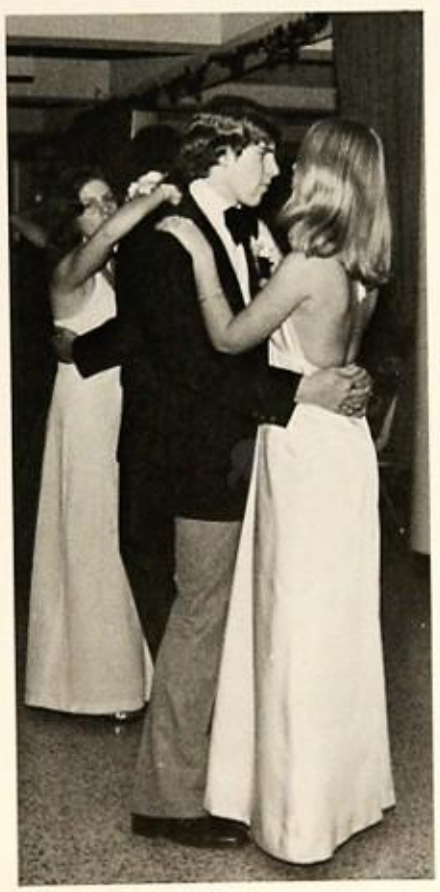


A Time For Us
at last to see . . .

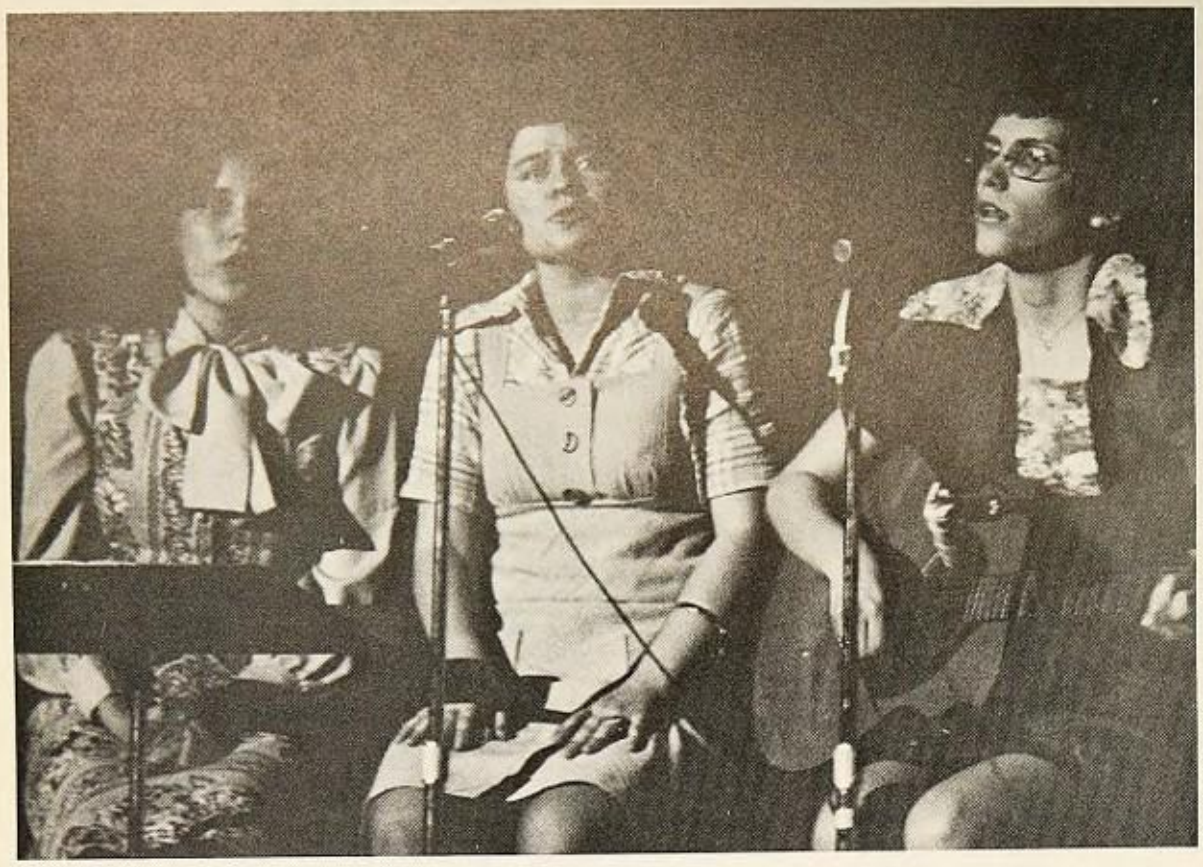
. . . a life worthwhile . . .

and with our dreams . . .
we will endure . . .

. . . A Time For Us
some day there'll be
a new world . . .



. . . a world of shining hope
for you and me.



JUNIOR SHOW

There was no show the year before-
The Class of '77 decided that they would have one.

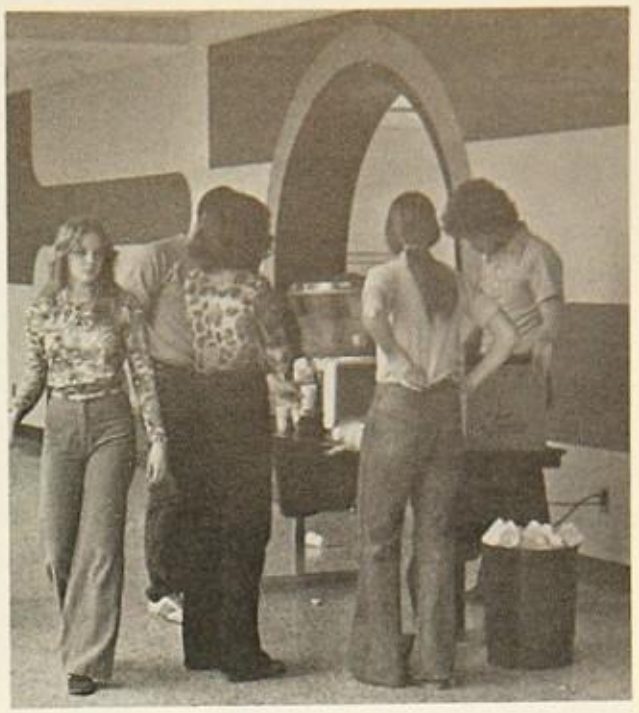
There was no stage for them to use-
The class of '77 decided that they would build one.

There was no theme to tie it all together-
The Class of '77 decided to have one.

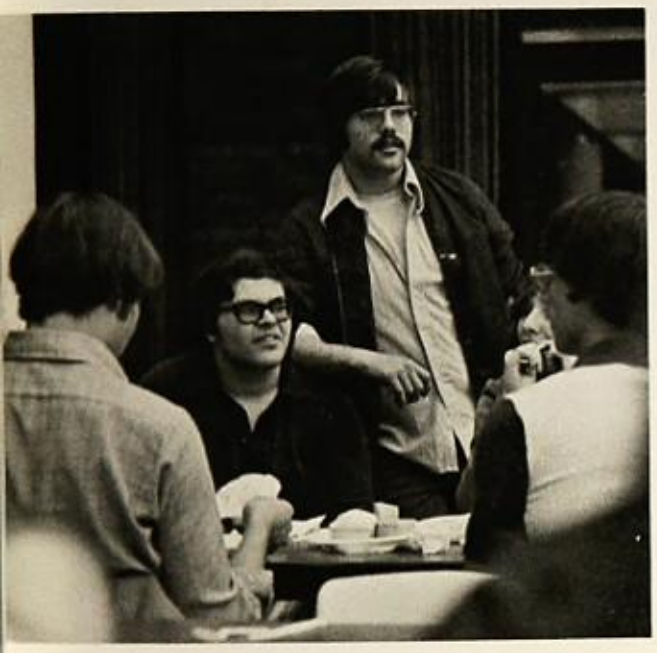
They called the show-
"The Junior Mousketeer Show."

The End Result?

A unique evening-
Blending both talent and comedy,
Spiced up a bit by those unexpected little moments
That made the night more memorable
And the memories more wonderful.



Spaghetti Supper



Junior Sock Hop

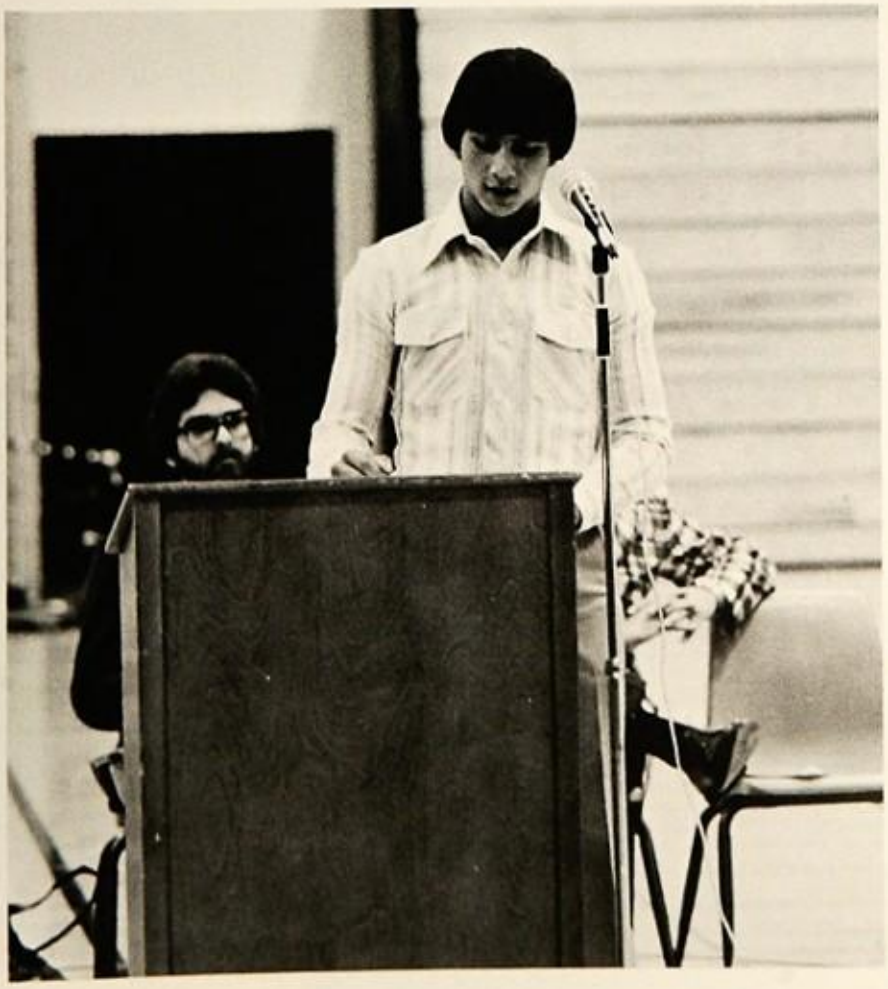
Judy Sullivan

Student Council

Advisor: Ed Malczyk



President: Dan LaPorte

Message to Students:

Our high school days are now behind us. We have had many good times together. We are the first class to go through the new high school and I feel as Student Council President that we have left our mark. My only hope is that my classmates will leave here with a good attitude toward life and never forget the good times we've shared together. Both as President and as a student I feel that we were able to communicate together to form a workable government. In school one usually finds lack of involvment, but the class of "77" has generated such enthusiasm that it has overwhelmed the whole school. I hope the example that we have set as a class will encourage future classes to accomplish as much or even more than we have!

I would like to express my thanks to all my fellow students who have made my past three years and hopefully yours, the most memorable of our lives. I wish you the best of luck and success in everything you do.

Sincerely,

Daniel LaPorte

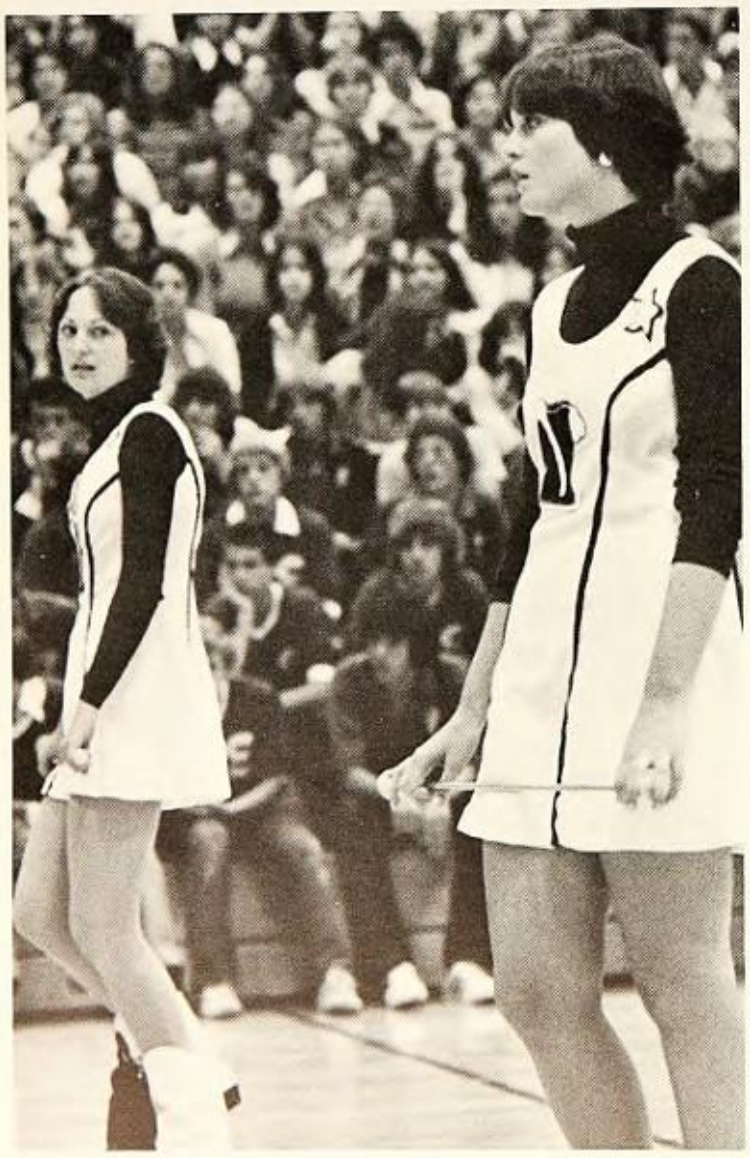
Majorettes



ADVISOR - Patricia Marek

CO-CAPTAINS - Cathy Dowler, Lynn Nieckarz

Through the years the members of the Majorettes have provided SHS with devotion and superb preformances. This year proved to be anything but different. The Majorettes attended all the home football games, participating in half-time festivities, pep assemblies, and marching in numerous parades.

ADVISOR - Dot Buzanoski

CO-CAPTAINS - Joan Evans, Debbie Perillo

The SHS Cheerleaders provided this year's teams with much enthusiasm and spirit. Their presence at the games contributed to the "thrill of victory" and helped sustain the "agony of defeat."

Field Hockey

HEAD COACH - Christine Niles

CO-CAPTAINS - Bonnie Cotugno, Judy Sullivan

The SHS Girls' Field Hockey team enjoyed a very challenging year. The squad had a good turn out which resulted in an abundance of team spirit.

They devoted a great amount of time and effort to the season. The girls had a rough start, losing their opener to Glastonbury. They saw the highlight of their season when they beat Maloney, something they had not done in four years. They finished with a record of 3-7-2. The team will lose five valuable senior players this year. They wish the returning players success in the future.

Go to it!

Football

The football team went undefeated through the first half of their season before dropping four consecutive games. They ended their season with a 34-8 victory over Plainville and a 4-4-2 record. One of the ties came against Colonial Conference champion Bristol Central. The Blue Knights finished third in the league.

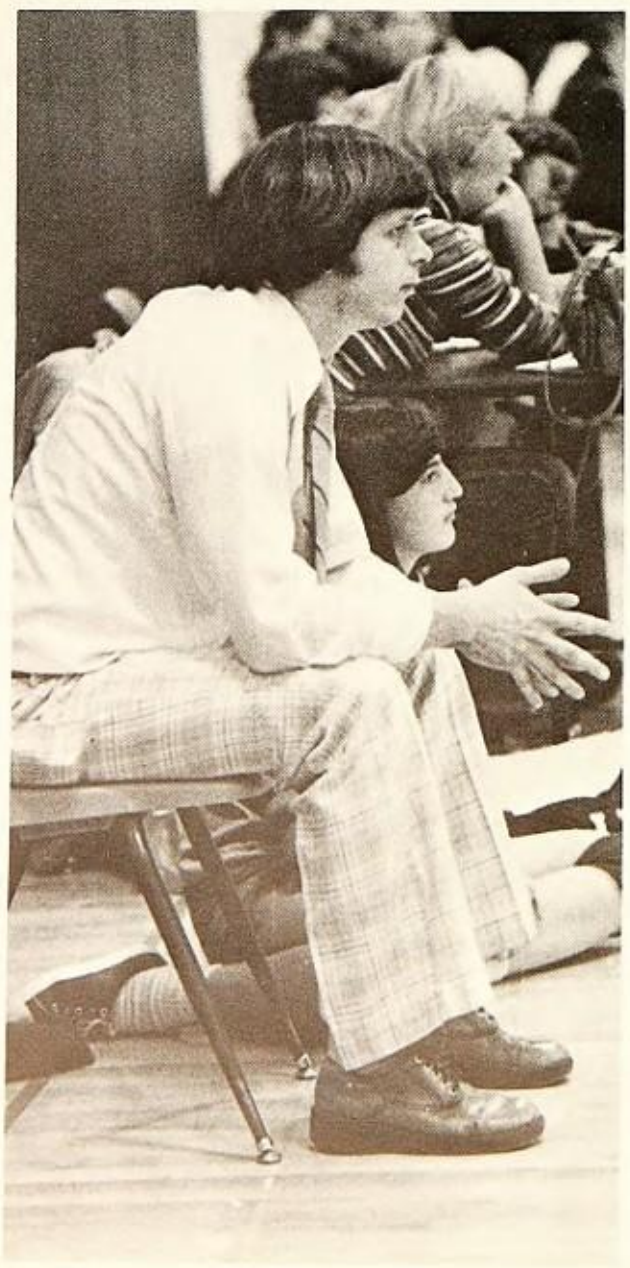
Volleyball



The girl's volleyball team ended it's third year of competition with a record of 7 wins and 11 losses. There were many close and exciting matches. The team's spirit was led by it's coach, Ed Malczyk and co-captains Betty Egidio and Lori Baccaro. Under this leadership the girls had an enjoyable season with Mary Beth Abramson and Betty Egidio elected to the All- Conference team.

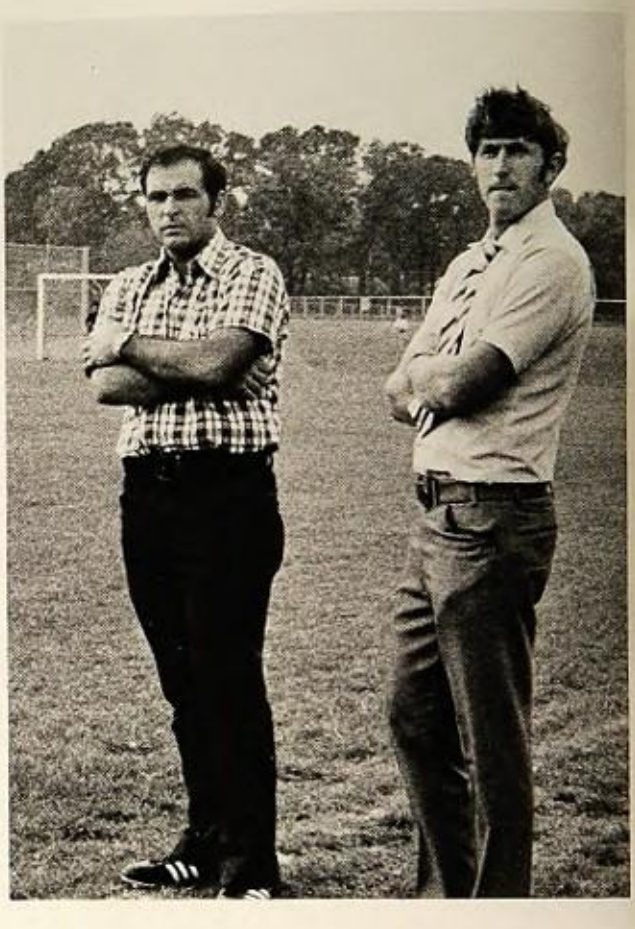
Eastern	1-0		



The seniors on the Southington High School Soccer team had been working towards the 1976 season for three years. Since our sophomore year when we were out until 6:30 with Coach Piazza, we have been looking forward to this year. The team finished the regular season with a 10-3 record. Ranked 7 in the state in the LL tournament, the Knights faced a strong Bulkley team. Unfortunately, they were unsuccessful in their attempt to dethrone the defending state champs. Highlights of the season included an exciting come-from-behind victory over undefeated Bristol Central in overtime, 2 to 1. The Knight's tri-captains, Gary Hennessy, Bob Ouelette, and Dan LaPorte were named to the All-Conference squad. The team would like to thank coaches Dan Murawski and Joe Piazza for their leadership, guidance, and humorous comments (?), which made for a great three years. C'mon coach you know we were good.

The 1976-77 Girls Basketball Team began their season as a young and enthusiastic group of players. Although S.H.S. is only a three year high school, the girls proved to be tough against four year schools, who have an extra year of experience. With sincere appreciation, the team would like to thank their coaches, Mrs. Busa and Miss Niles, for all their efforts through the past year.

HEAD COACH - Ed Nardi
Assistant - Mike Ungaro

Unfortunately this year Blue Knights Basketball was not able to follow in the footsteps of the highly successful teams of the last two years. Led by Captain Frank Rymsza, the only returning letterman, the team found the going rough, in which Head Coach Ed Nardi called the toughest Colonial Conference schedule in many years. The Knights beat powerful Cheshire in a non-conference game early in the season. After a few more games the crowds were sparse and the team learned quickly that no one appreciates a loser, but they worked hard, just the same, all year.

The team was made up of what was called a strange bunch of guys, but they had a lot of fun despite their lack of success. It consisted largely of underclassmen and are confident that next year's squad should revert back to Southington's traditional form.

Gymnastics has come a long way in these last few years. The 1976-77 season proved the growing interest in the sport. The girls put all their hearts and effort into it, producing an exciting winning season ending with 12 wins and 3 loses in all. Tami Gooding, Lynn DeBishop, and Barb Porter would like to express their sincere best wishes to all forth coming gymnasts. It has been a pleasure working with the 76-77 gymnastic team.

The 1976-77 winter sport season saw the Blue Knight Swim Team excel in facing strong competition, setting new school records, and swimmers finishing in their best times. Two outstanding events were part of the team's third season. The Knights have a 6-6 record and the seniors were the first class to complete three years of competition. The Swim team is extremely proud of their first successful season.

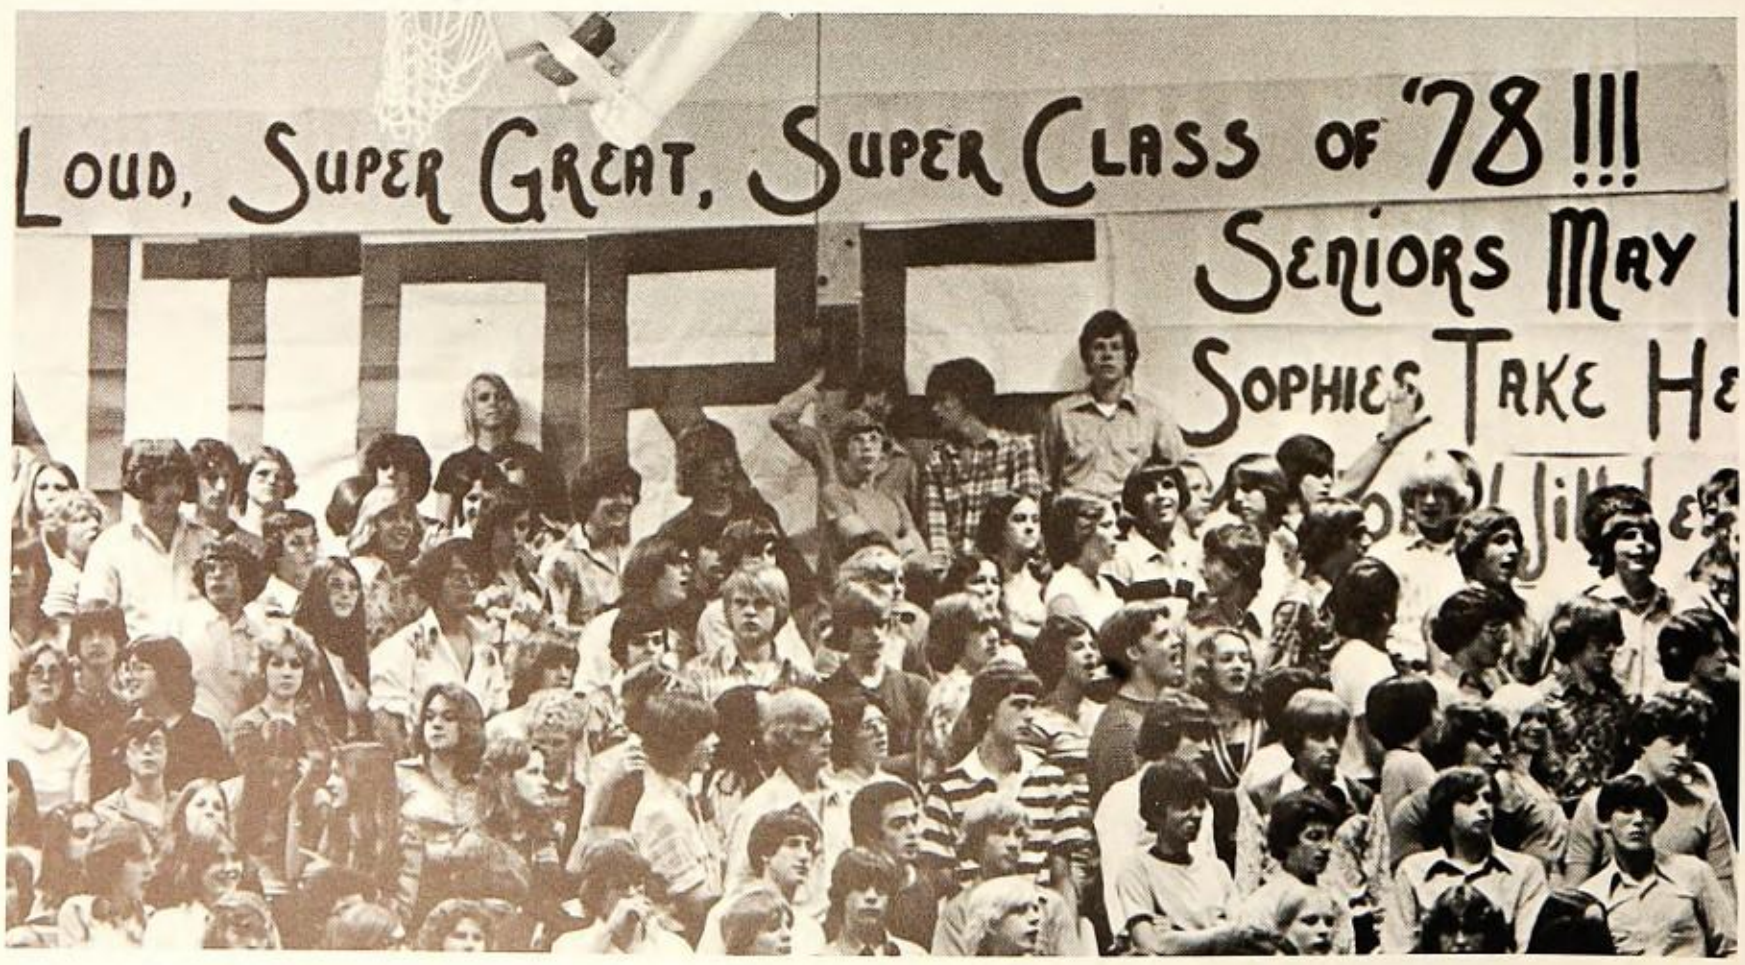
Class Officers: Bev Smith, Treasurer; Sarah Hall, Secretary; Becky Florian, Vice-President; Matt Florian, President.

With a successful magazine drive, car wash, St. Patrick's Day Dance, and overall impressive Sophomore year tucked under their belts, the Class of '78 plunged into their second year with a spirit challenge to the Seniors. Although they exhibited an overwhelming amount of class unity, they only placed third. But the spirit they showed was such that it would endure throughout the year in all their activities including the Junior Prom.



Seniors may bleed, Sophies take heed, Juniors will lead???

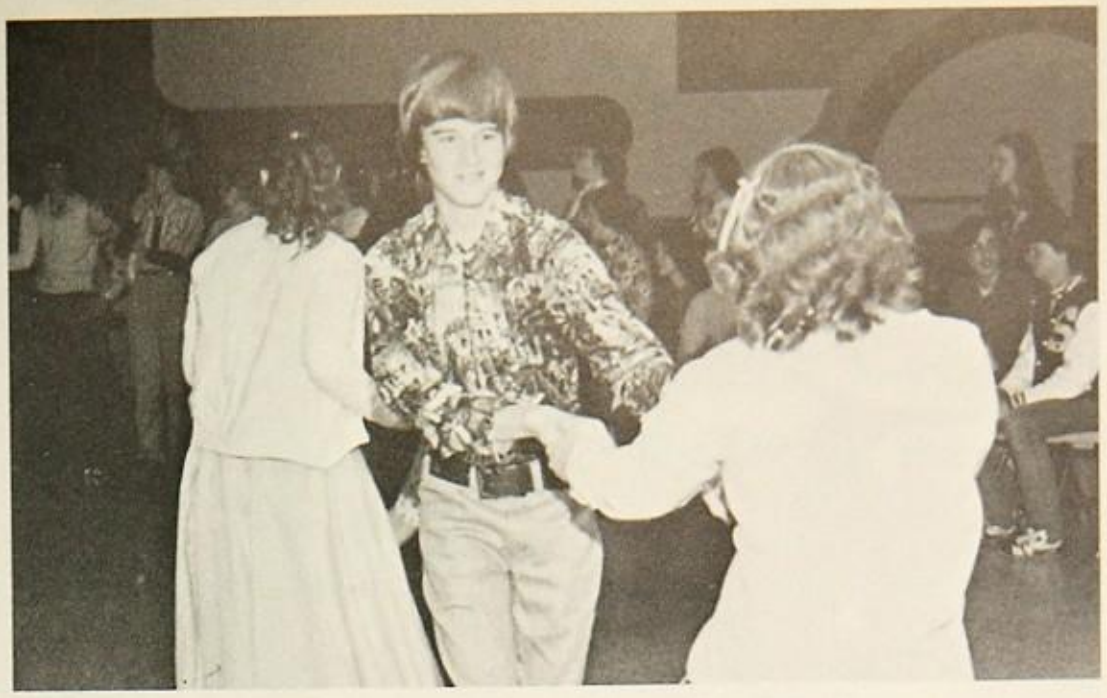
Class Officers: Annette Miceli, Treasurer; Scott O'Shana, Vice President; Vicky Stanaitis, President and Mary Rapisarda, Secretary.

September, 1976, saw the enrollment of the biggest Sophomore Class at Southington High School ever! But class elections soon brought students together as many campaigned for their favorite candidate. The results were resounding victories for four hard working people: President, Vicky Stanaitis; Vice-President, Scott Oshana; Secretary, Mary Rapisarda; Treasurer, Annette Miceli. Under their direction and the class advisors Mr. Greg Campagnano and Mrs. Jeanne Schumann, the first offical class event, the Super-Sophomore Car Wash, was a tremendous success. With everyones hard work and determination the remaining activities can only get Better!



Senior grab a Sophomore!

Congratulations and Best Wishes
to the class of 1977

In many ways we feel we share the milestone you are reaching at graduation. You and your family and friends are our customers. Some of you have worked with us. And some of you have parents or relatives or friends who are part of our staff. So, for all those reasons, we are especially happy to share your pride, your feeling of accomplishment and your sense of anticipation. We hope we'll continue to be a part of your future.

A Good Place To Work . . .

THE REPUBLICAN PARTY IN SOUTHINGTON

Southington's Republican Party is comprised of approximately 3,600 residents, registered as Republicans, including the dedicated Republicans who hold elective and appointive offices, and the 50 persons chosen by Republican voters to serve on the Town Committee.

Southington's Republican Party has served as a responsible and responsive common-sense voice and force in Town government - providing constructive criticism when it finds itself in the minority on the Town Boards and agencies, and active leadership always.

Southington's Republican Party has initiated and supported policies of controlled growth in our Town - to meet the increasing needs of our growing population while recognizing that excessive and expensive government at any level is harmful to citizens' well-being.

Southington's Republican Party is proud that it remains close to the people: every Republican voter has a direct voice at caucus in choosing candidates, electing members of the Town Committee, and determining Republican Policy. Southington's Republican Party is proud, too, of having initiated the Council-Manager form of government which has brought our Town the benefits of progressive, efficient, economical, objective government.

Cheryl Don't forget swimmeets,tennis,proms,hotders,poop,E&G,corn,and RES

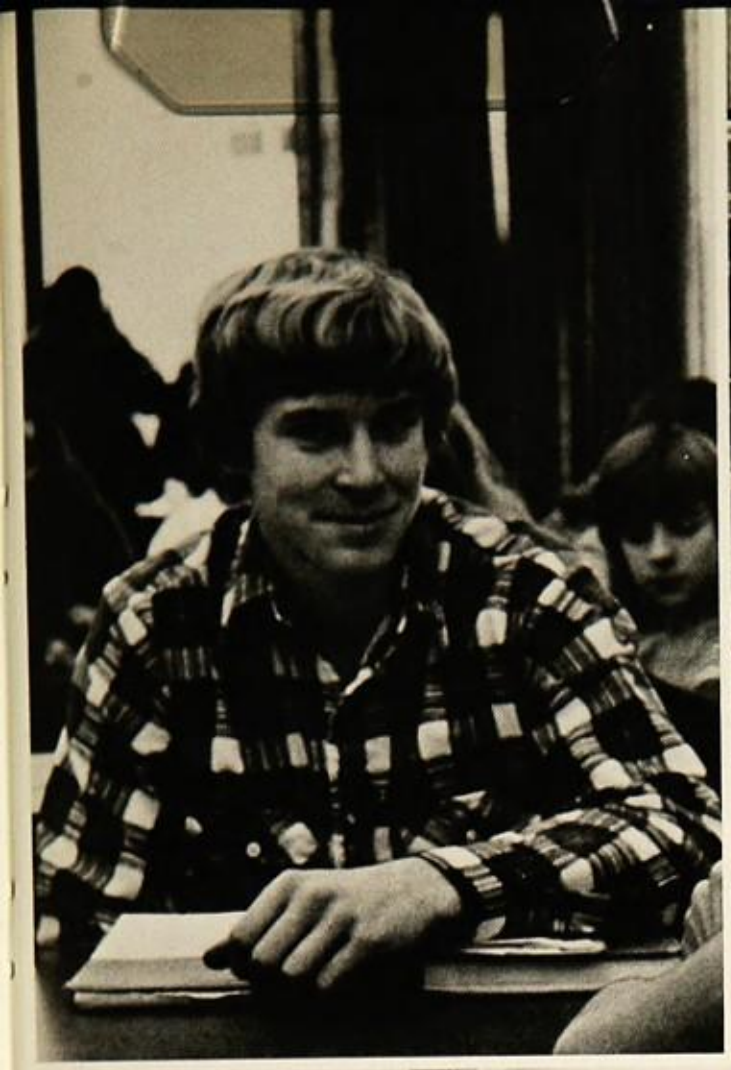
We'd like to take this space to express our thoughts that we feel as two people who have worked for the senior class. In putting the 1977 Chronicle together we've tried so hard to see the pages as you, a Senior class, could see them. We've tried to see things in a broad perspective and put our own personalities aside.

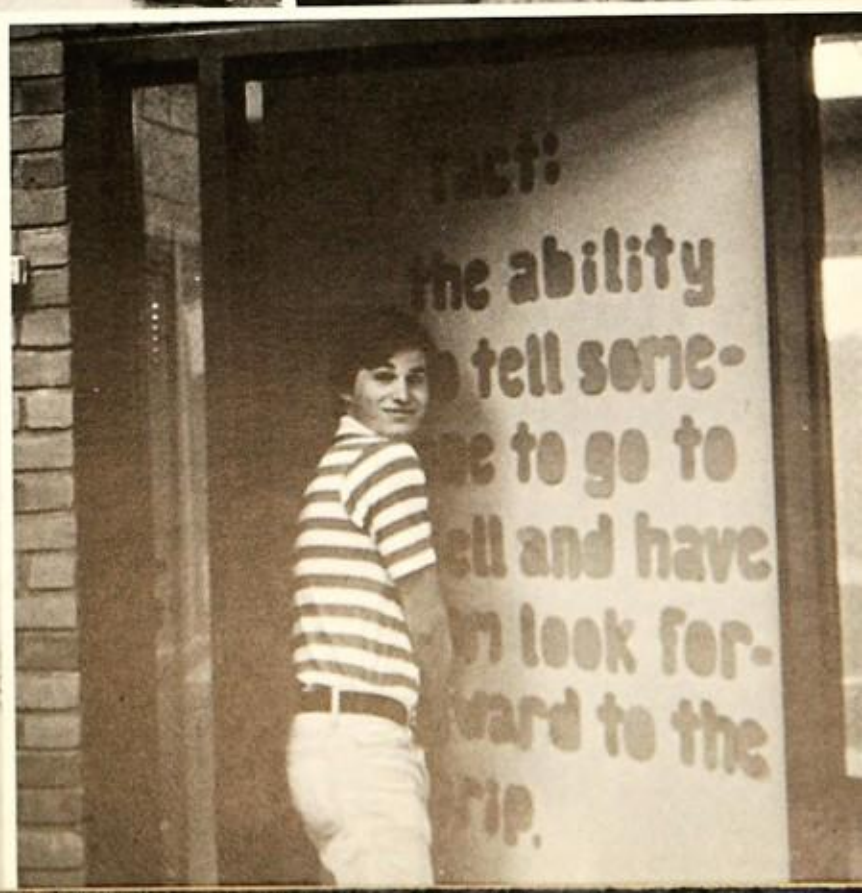
The Class of '77 can be described in one word - unique. In putting the book together we have kept this word in the back of our minds.

We think that this is the time to say thanks to all who have put forth their efforts to make this the book that it is. You know who you are and all your little efforts added up to this.

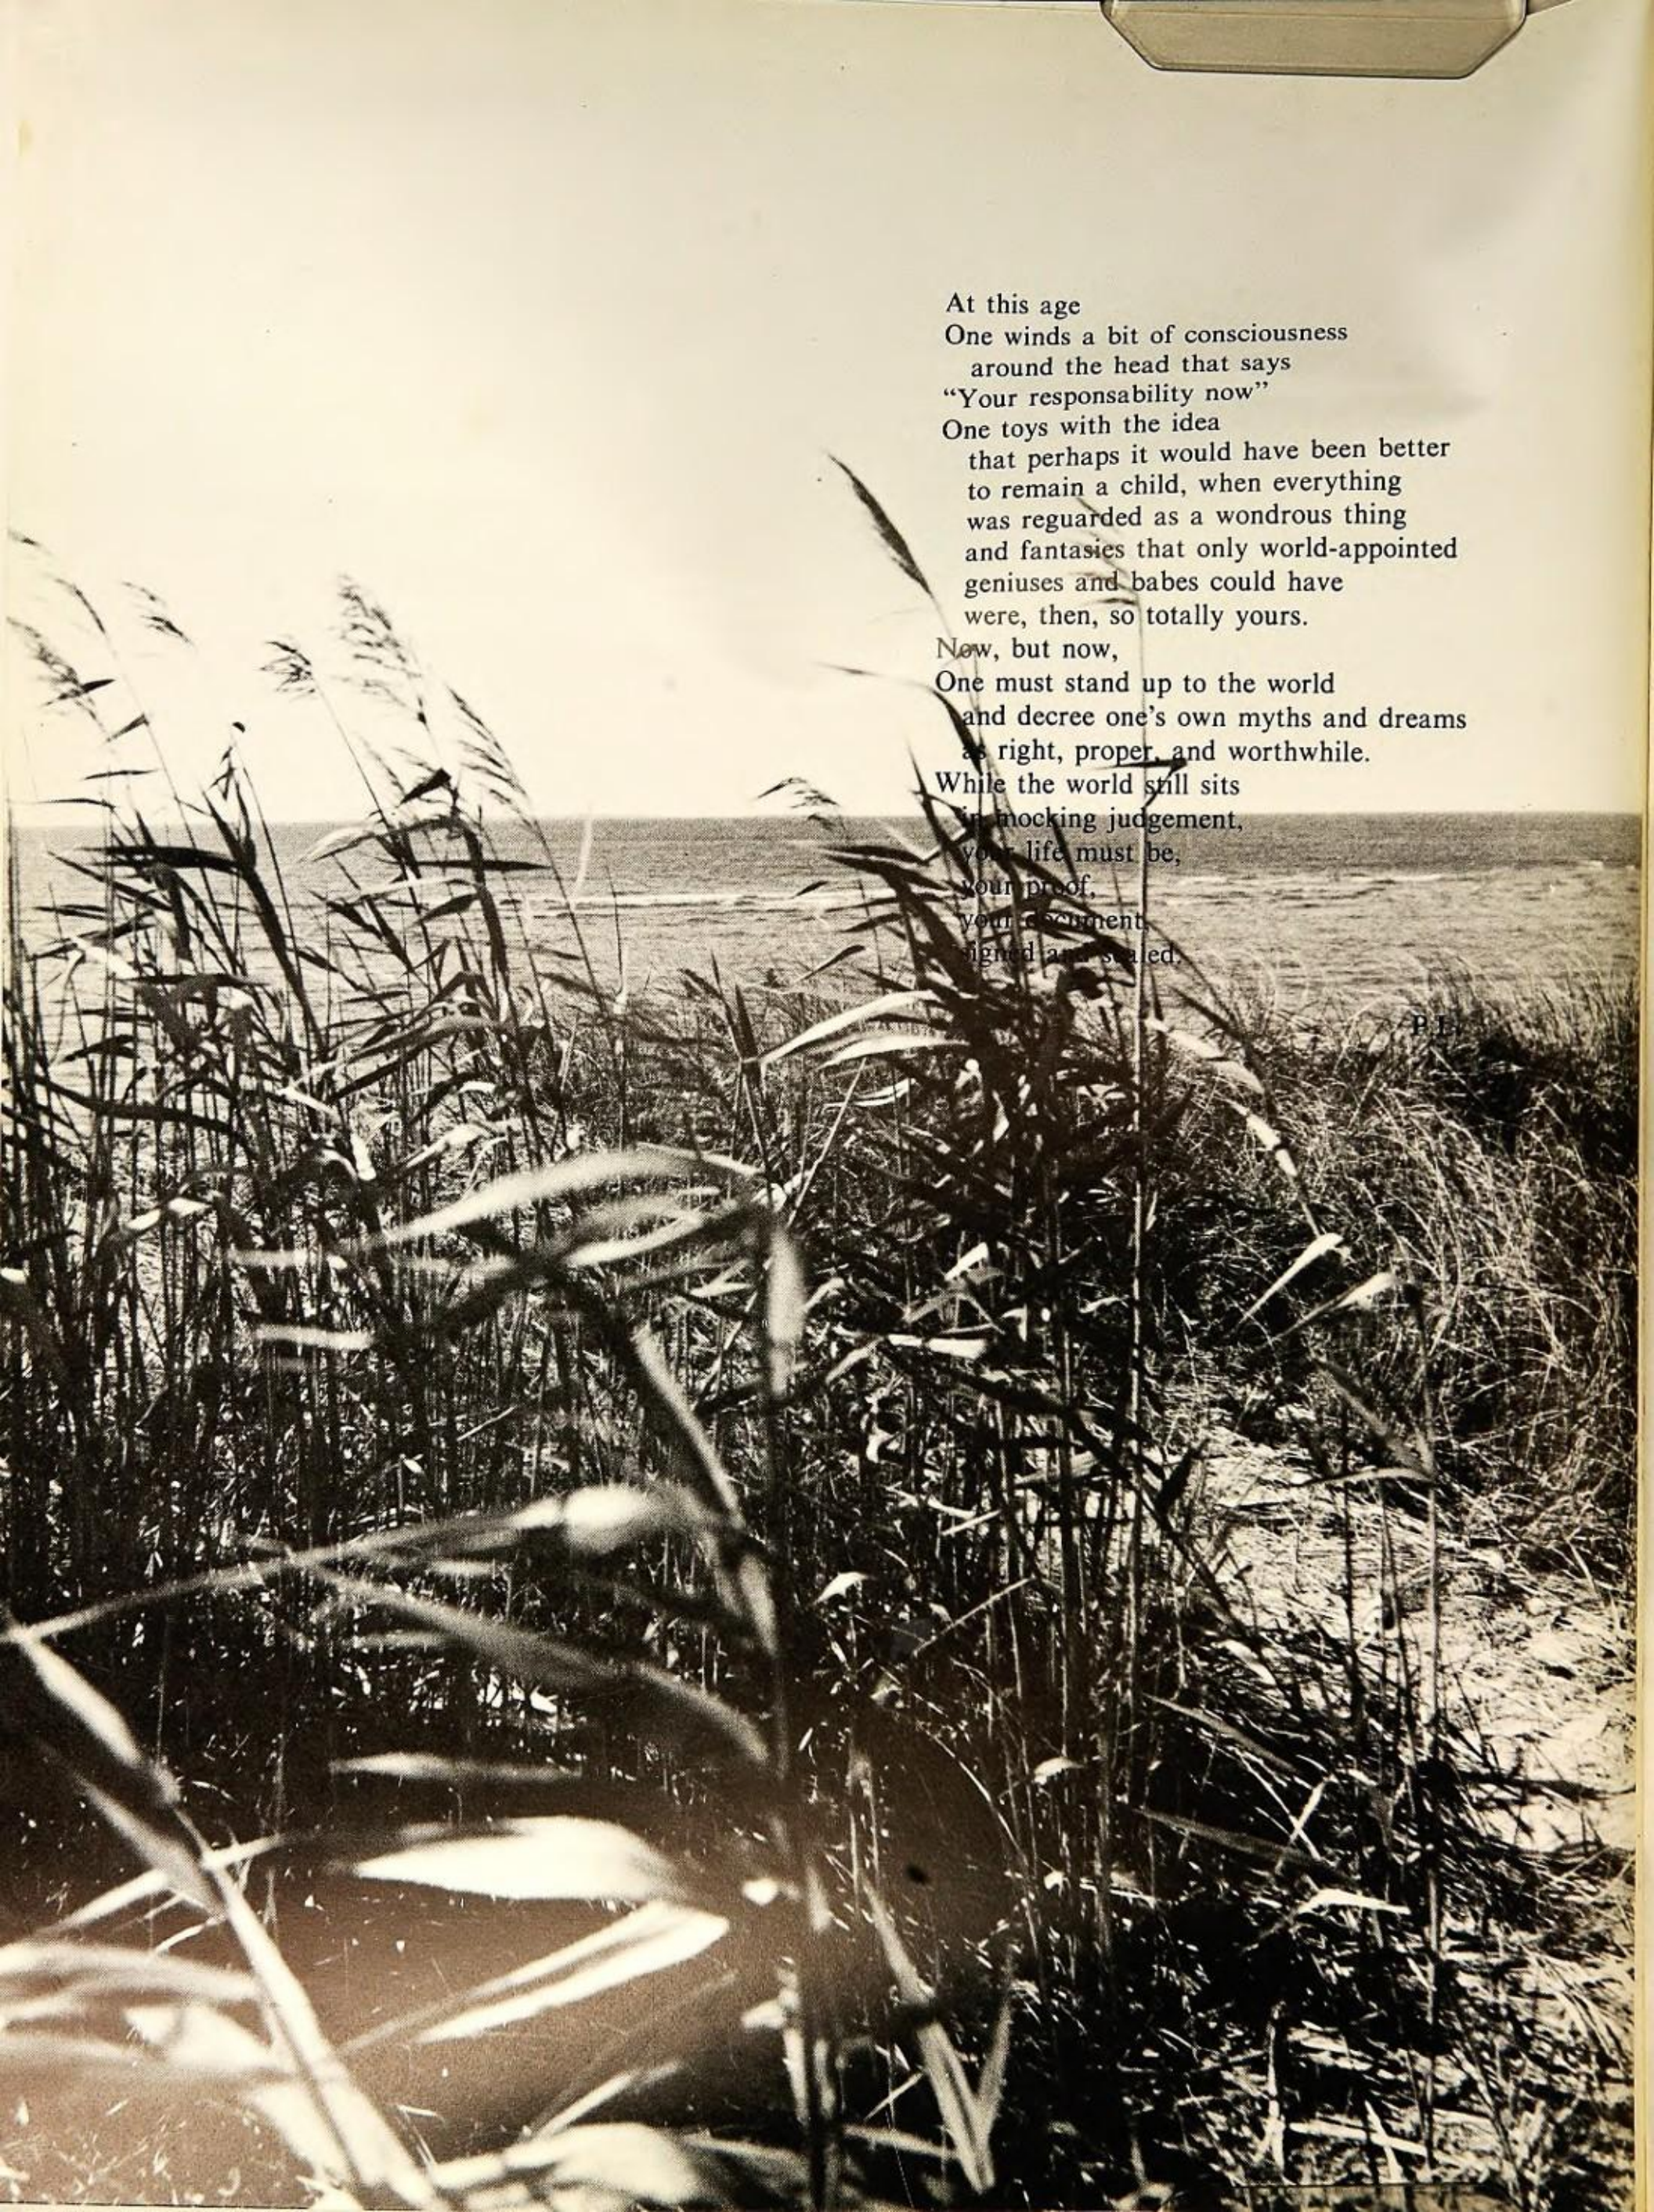
So to the 'Class of '77" we've tried our best to make this a memory of all your memories of Southington High.

Peace & Love,
Liz & Judi





ct:
ne ability
tell some-
e to go to
ll and have
look for-
ard to the
rip.



At this age
One winds a bit of consciousness
around the head that says
"Your responsability now"
One toys with the idea
that perhaps it would have been better
to remain a child, when everything
was reguarded as a wondrous thing
and fantasies that only world-appointed
geniuses and babes could have
were, then, so totally yours.
Now, but now,
One must stand up to the world
and decree one's own myths and dreams
as right, proper, and worthwhile.
While the world still sits
in mocking judgement,
your life must be,
your proof,
your document,
signed and sealed.

P.L.
